Sit Down Godim Angry

Stephen L. Bowen

Sit Down Godim Angry:

DEAF WISH Geoff Cook, 2019-09-13 Believe me there is nothing bold or courageous in taking the decision to sacrifice everyone and everything you have lived and worked for since you were a young man in exchange for the uncertainty of a new life thousands of miles away with a woman you have convinced yourself you love but in truth you really hardly know Don't kid yourself All it takes is a heady mix of bravado false conviction cowardice and a total lack of conscience I should know I did it Sixteen years have passed and an opportunity comes out of the blue to make amends to rekindle the bonds of family I once too easily discarded Or so I hoped But I was naive I thought that words could heal They can't All they achieved was to distort the pain of rejection that feeds the prospect of revenge Nor could I foresee the treacherous path that lay ahead as I stumbled into the bitter secrets of all our pasts But I do now The deaf may not hear the swish of the assailant's blade but they still feel the pain of the cut My name It's Gilbert Hart but call me Gil Some people know me as Hartless

Meditation for Angry

People Pearl Howie, 2015-06-09 Anger is like fire Sometimes it can be useful sometimes it can be destructive sometimes it can feel that we just can't get a spark started although we feel like we're sitting on a powder keg We're all human and we all have anger whether others see us as angry and bitter or smiling and carefree This book is written to help you understand your own anger whether it stems from fear sadness resentment control self-blame or holding on to old pain It's written to help those who feel burdened with anger that they just can't express those who feel the pain of almost overwhelming anger or those who find it difficult to get through the day without one really good tantrum To me you are a hero You have learned to take something negative in your life and make it a positive a gift to others It doesn't get any better than that Susan Jeffers Ph.D. author of *Feel the Fear and Do It Anyway* and *Embracing Uncertainty*

Dealing With Anger From A Natural And Spiritual Perspective

Stephen L. Bowen, 2013-06-26 Who's in the driver's seat If you are allowing anger to be behind the wheel you are headed for a crash Every experienced driver and passenger of a vehicle knows that the person driving has full control of the vehicle If you are a reckless driver the probability of an accident is great If you are perfectly poised agile and alert while driving not only will your probability of maintaining control be better but also you will be in a better position to avoid the dangers of nearby reckless drivers Anger the reckless driver Anger can be as dangerous as a reckless driver behind the wheel if you allow it to control you Just like bad driving can lead to awful tragedies that might harm the driver the passenger or an innocent bystander uncontrolled anger can lead to a major collision in your life as well as in others Being in

full control helps you to be alert to your own combustible emotions as well as those of others In doing so we avoid crashes clashes and serious collisions brought on by anger Anger the passenger That is why anger should never be in the driver s seat It should only be a passenger A passenger is driven to a certain destination and then dropped off by the driver who is in full control of the vehicle Even when anger is necessary it should ride only as a passenger going to an appropriate destination and then let out Always put yourself in the driver s seat with full control while being poised and sober Carry anger only for a limited amount of time Then let it go This book will give you insight and a unique strategy of recognizing legitimate illegitimate and optional anger as well as understanding their emotion s vulnerabilities so that you can remain in the driver s seat with full control
