Introduction to Sports Tourism and Event Management Melville Saayman,2012-08-01 The importance of Sport
Tourism as a developing science and Sport Events specifically is on the increase This is especially true when experts say that
sport tourism is big business South Africa like most other countries hosts thousands of sport events each year Therefore
destinations compete fiercely not only to host these events but also to offer quality events All this is happening despite the
fact that there is a lack of properly trained sport and event managers Therefore the purpose of this book is to equip the
reader with specific knowledge and skills about the sport and events tourism phenomenon The book deals with a wide variety
of topics stretching from the history of sport tourism to new and globally important issues such as the greening of sport
events The book is a useful tool for both students and practitioners alike since it also provides guidelines and case studies
