Skeletons Revenge:

The Skeleton's Revenge Tom B. Stone,1997-01-01 Spending Thanksgiving at his uncle s creepy island home Skate McGraw finds a skeleton in the study hears bony footsteps at night and thinks that the skeleton riding a skateboard has come to life **REAL. Vol. 5** Herbert Grabes,H. J. Diller,Hans Bungert,2020-05-18 No detailed description available for REAL YEARBOOK VOL 5 REAL E BOOK **Cajun Moon** Kenneth Cowle,2005-12 Cajun Moon A Journey Through Time is an expression of the poet s being The selections for this premiere edition from Kenneth Cowle are a glimpse at the emotions scars and life experiences that over time shaped who he is today Ranging from deep passion to the baring of a tormented heart many of these poems evoke feelings and imagery that will touch a romantic soul There are many pieces that affirm Kenneth Cowle s belief in a loving God the essential goodness of us all and the responsibility we have to care for each other and for Mother Nature For the young at heart you will find playful poems about childish things Several of the poems are complimented by original illustrations drawn by the poet s mother Jean Cowle As a keen admirer of various structures of poetry Kenneth includes short poems in alternative styles such as Senryu and Lantern For the most part though the poems have received a minimum of editing and may seem raw to readers looking for a collection of safe and traditional poems Line breaks and punctuation are sometimes intentionally off kilter to move the reader s eyes through a poem with changes in pace to enhance the mere reading of words You may find some of yourself in Cajun Moon or feel off balance for a moment or two as you read of a tempestuous journey that has come to a place of peace and acceptance The wish of Kenneth Cowle is that however you experience this collection you feel A Soul Asylum Poetry Production [The Spiritual Power of Masks](#) Nigel Pennick,2022-04-19 Reveals how mask rituals are akin to shamanic journeying and allow the mask wearer to personify an ancestral presence spirit deity or power Examines animal guising and shows how mask customs are tied to creation myths and the ancestral founders of a people tribe city or nation Looks at morris dancers and mummers in the UK Krampuslauf and Perchtenlauf in Germanic areas the Gorgon myths of Greece Norse Berserker rituals and the annual Black Forest rite to awaken ensouled masks every spring There is a spiritual power in masks that transports one into realms unseen and gives voice to things unspoken Within the context of ritual putting on a mask places the wearer at the intersection between the present and the past the living and the dead this world and the Otherworld Masks make it possible to activate ancient archetypes with the mask wearer reanimating or personifying an ancestral presence or spirit a deity or power an animal or a being of the eldritch world In this illustrated study Nigel Pennick explores the magical and spiritual aspects of mask wearing from ancient times to the present He examines the many mask traditions around Europe and shows how mask rituals are similar to shamanic journeying and near death experiences and can induce ecstatic states that allow the power signified by the mask to take possession of the individual wearing it He also looks at the practice of dressing up as sacred animals and mask wearing as it relates to ostenta events that occur suddenly and without warning that are considered a token or sign

from the Otherworld Unveiling the sacred power of masks the author shows how masks allow us to transport into realms unseen embody ancestors and otherworldly entities and connect with traditions that stretch back to time immemorial

Knowledge and Memory: the Real Story Robert S. Wyer, Jr., 2014-01-02 Narrative forms of mental representation and their influence on comprehension communication and judgment have rapidly become one of the main foci of research and theory in not only psychology but also other disciplines including linguistics sociology and anthropology No one has been more responsible for the awakening of interest in this area than Roger Schank and Bob Abelson In their target article they argue that narrative forms of mental representation or stories are the basic ingredients of social knowledge that play a fundamental role in the comprehension of information conveyed in a social context the storage of this information in memory and the later communication of it to others After explicating the cognitive processes that underlie the construction of narratives and their use in comprehension memory and communication the chapter authors consider the influence of stories on a number of more specific phenomena including political judgment marital relations and memory distortions that underlie errors in eyewitness testimony The provocativeness of the target chapter is matched by that of the companion articles each of which not only provides an important commentary on Schank and Abelson's conceptualization but also makes an important contribution to knowledge in its own right The diversity of perspectives reflected in these articles whose authors include researchers in linguistics memory and comprehension social inference cognitive development social judgment close relationships and social ecology testifies to the breadth of theoretical and empirical issues to which the target chapter is potentially relevant This volume is a timely and important contribution to research and theory not only in social cognition but in many other areas as well
