Sketches From The Attic Of My Mind:

Sketches from a Sunlit Heaven Sarah Law, 2022-09-23 What is it like to have a saint for a sister This lyrical and fragmentary novel draws us into the brief life and powerful legacy of Saint Thérèse of Lisieux 1873 1897 a French Carmelite nun who remains a much loved figure in and beyond the Catholic Church We follow Thérèse's story through the voices of six characters who knew her well her sisters Marie Pauline Lonie and Céline a young cousin and a troubled seminarian with whom she corresponds towards the end of her life Each character offers their own perspective as they witness to Thérèse's life and death the turns of history and the subsequent complexities of promulgating a saint Spanning the nineteenth and twentieth centuries each voice negotiates the tensions of religious life The novel presents some remarkable people and events while inviting in the mysteries of grace silence and sunlight

Madwomen in Social Justice Movements, Literatures, and Art Jessica Lowell Mason, Nicole Crevar, 2023-01-10 Madwomen in Social Justice Movements Literatures and Art boldly reasserts the importance of the Madwoman more than four decades after the publication of Sandra Gilbert and Susan Gubar's seminal work in feminist literary criticism The Madwoman in the Attic Since Gilbert and Gubar's work was published the Madwoman has reemerged to do important work rock the academic boat and ignite social justice agency inside and outside of academic spaces moving beyond the literary context that defined the Madwoman in the late 20th century In this dynamic collection of essays scholars creative writers and Mad activists come together to re define the Madwoman in pluralistic and expansive ways and to realize new potential in Mad agency This collection blazes new directions of thinking through Madness as a gendered category comprised of a combination of creative works that re imagine the figure of the Madwoman speeches in which Mad identifying artists and writers reclaim the label of Madwoman and scholarly essays that articulate ambitious theories of the Madwoman The collection is an interdisciplinary scholarly resource that will appeal to multiple academic fields including literary studies disability studies feminist studies and Mad studies Additionally the work contributes to the countermovement against colonial sanist patriarchal and institutional social practices that continue to silence women and confine them to the metaphorical attic Appealing to a broad audience of readers Madwomen in Social Justice Movements Literatures and Art is a cutting edge inquiry into the implications of Madness as a theoretical tool in which dissenting deviant and abnormal women and gender non conforming writers artists and activists open the door to Mad futurities
