Stumbling toward Wholeness Andrew J Bauman, 2018 We desire to be transformed to grow more and more like Christ But for many of us our strategies for change don't work We misperceive God as a judgmental Father leaving us demoralized and paralyzed by shame *Stumbling toward Wholeness* offers a new strategy for spiritual growth and life transformation regularly returning to the arms of a kind and loving Father There are many books that explore the parable of the Prodigal Son but few approach it with the personal vulnerability and psychological insight of Andrew Bauman Andrew shows how taking the time to identify with each of the brothers in this story can help us come to terms with our own brokenness and the need for God revealed in it We discover a process of change that applies to each of us and a healing journey that moves us toward the likeness of the Father in how we love the people around us and address the pain others have caused us

The Publishers Weekly ,2002 Robots or Rebels: The Dangers of Growing Up a Legalist, and Biblical Motivations for True Holiness Robert P. Pruitt,2014-01-31 Legalism Almost no one is neutral on the subject Some see a legalist behind every attempt to encourage holiness in the lives of God s people while others fail to see that they have fallen into the clutches of legalistic thinking In the name of calling people to righteousness many add to the Word of God and form a system destined to end in an unbiblical approach to godly living The results of legalism are devastating Many fail to learn to think or at least think biblically but continue to conform to the rules that have been laid before them Robotic in their obedience they never experience the joy of the freedom available in Christ Others rebel not only against the system but against even those teachings that are true to the Scriptures These rebels often leave their families and the church in pursuit of personal pleasure In so doing they find themselves becoming slaves to sin This book is designed to expose legalism and its tragic results and then point the way to a true holiness that is based in biblical motivations Christ is glorified only through truly holy lives
