*Theaters of Error* Pascale LaFountain, 2018-04-17 This book offers provocative readings of canonical Enlightenment dramas that reflect and shape the period s changing understanding of error With striking interdisciplinary connections to theater treatises as well as works from the philosophical legal and medical discourses it tracks the relocation of error from the moral to the physical realm a movement that begins with Lessing and continues through the turn of the nineteenth century Featuring detailed analyses of Lessing s *Mi Sara* Sampson Diderot s *Le Fils naturel* Schiller s *Die R u ber* and Kleist s *Die Familie Schroffenstein* alongside rich close readings of diverse primary sources ranging from previously untranslated acting treatises by Sainte Albine and Engel to texts from the German Archiv des Criminalrechts this study introduces the reader to new Enlightenment sources and compellingly concludes that ultimately it is no longer evil but rather bodily irregularities and mistakes in reading the body that become the driving principle of Enlightenment drama

*The Major Mysteries* Samael Aun Weor, 2025-01-01 When you make male and female into a single one then you will enter into the Kingdom Jesus The Gospel of Thomas For two thousand years the teachings of Christianity have changed dramatically especially regarding its founder and inspiration Jesus A master of Kabbalah and Hebrew Jesus made the secret teachings public enraging those who were attached to their power and traditions If the Lord had not been crucified the destiny of the Western world would have been another We would now have sublime enlightened rabbis everywhere preaching Christic esotericism The union of Christic esotericism secret Jewish Kabbalah and holy alchemy would have completely illuminated and transformed the entire world Yes the mysteries of Levi would have shone with the light of Christ Gnosis Da ath would have magnificently shone everywhere Samael Aun Weor Although the genuine teachings of Jesus were obscured and hidden from the public the time has come for them to be restored and made known In *The Major Mysteries* Samael Aun Weor reveals the practical basis of authentic Kabbalah Christianity and Alchemy the science Jesus taught which explains how to return to Eden through the same door we used to leave it The return to Eden is the narrow straight gate the way to be born again Any birth whether of the flesh or the spirit is sexual The author also provides an amazing account of the private life of Jesus and his process of development Filled with practical exercises prophecies and guidance for liberation from suffering *The Major Mysteries* is an essential handbook for anyone who longs to know for themselves the truth of Jesus and his message

*The Sublime Crime* Stephanie Barb Hammer, 1994 In this hermeneutic analysis of seven literary texts Stephanie Barb Hammer studies the roles of criminal protagonists in the dramas of George Lillo *The London Merchant* and Friedrich Schiller *The Robbers* and in the narratives of Abb de Pr vost *Manon Lescaut* Henry Fielding *Jonathan Wild* Marquis de Sade *Justine* William Godwin *Caleb Williams* and Heinrich von Kleist Michael Kohlhaas Hammer reflects the current interest in cultural critique by utilizing the social theories of Michel Foucault and the feminist approaches of H l ne Cixous and Eve Sedgwick to redefine the Enlightenment as a

movement of thought rather than as a strictly defined period synonymous with the eighteenth century In addition through the examination of the works of three post World War II authors Jean Genet Anthony Burgess and Peter Handke Hammer suggests that the Enlightenment s artistic representations of criminality are unparalleled by subsequent modern literature Hammer explains that the seven works she focuses on have been dismissed as failures by readers who have misunderstood the texts aesthetic elements While claiming that the form of these works breaks down under the pressure of their criminal protagonists she asserts that this formal failure actually contributes to the success of the works as art The works fail because like the criminal characters themselves they break laws The criminal protagonist effectively sabotages the official story that the text seeks to tell by deflecting the plot style and formal requirements in question subverting its message be it moral sentimental or libertine through a kind of structural undermining forcing the text beyond its own formal boundaries For example Hammer maintains that the presence of the criminal figure Millwood in Lillo s bourgeois tragedy actually makes the play covertly antibourgeois Hammer insists that the criminal s subversive presence in these seven works inaugurates new insight and her analysis thereby challenges late twentieth century readers to continue the investigation that the works themselves have begun This book will prove indispensable to scholars of comparative literature especially eighteenth century specialists as well as to all individuals interested in cultural critique
