Slug and Other Stories

Megan Milks,2021-11-09 Carefully considered successful instances of experimental fiction disrupt gender genre and identity in this deranged otherworldly collection Literary Hub A woman metamorphoses into a giant slug another quite literally eats her heart out a wasp falls in love with an orchid and hair starts sprouting from the walls These stories slip and slide between genres from video games to fan fiction body horror to choose your own adventure as characters cycle through giddy changes in gender physiology species and identity Collapsing boundaries between bodies and forms these fictions interrogate the visceral gross and absurd This book is fucking weird wrote Brit Mandelo in 2015 It s only gotten weirder since Slug and Other Stories is a revised and expanded edition of a contemporary cult classic Finally back in print this collection is a testament to the messy anti logic of queer feelings by a revelatory new voice
