The Symbolism of Marriage in Early Christianity and the Latin Middle Ages Line Cecilie Engh, 2025-10-01 In the Middle Ages everyone it seems entered into some form of marriage Nuns and even some monks married the bridegroom Christ Bishops married their sees The popes as vicars of Christ married the universal Church And lay people high and low married each other What united these marriages was their common reference to the union of Christ and Church Christ s marriage to

the Church was the paradigmatic symbol in which all the other forms of union participated in superior or inferior ways This book grapples with questions of the impact of marriage symbolism on both ideas and practice in the early Christian and medieval period In what ways did marriage symbolism with its embedded concepts of gender reproduction household and hierarchy shape people s thought about other things such as celibacy ecclesial and political relations and devotional relations How did symbolic cognition shape marriage itself And how if at all were these two directions of thinking symbolically about marriage related multidisciplinary approach high precision conceptual analyses a case study of symbolical cognition **New**
