For the teens at The Haven the outside world just beyond the towering stone wall that surrounds the premises is a dangerous unknown It has always been this way ever since the hospital was established in the year 2020 But The Haven is more than just a hospital it is their home It is all they know Everything is strictly monitored education exercise food and rest The rules must be followed to keep the children healthy to help control the Disease that has cast them as Terminals the Disease that claims limbs and lungs and memories But Shiloh is different she remembers everything Gideon is different too He dreams of a cure of rebellion against the status quo What if everything they ve been told is a lie What if The Haven is not the safe place it claims to be And what will happen if Shiloh starts asking dangerous questions Powerful and emotional The Haven takes us inside a treacherous world in which nothing is as it seems Imagine Anna Quindlen or Sue Miller turning her attention to writing a young adult novel and you have an idea of what Carol Lynch Williams has done for early teen readers Audrey Couloubis author of the Newbery Honor Book *Getting Near to Baby*

South Haven City Directories ,1898 Minecraft: The Haven Trials Suyi Davies,2021-12-07 Journey into a lawless land and take its toughest trials in this official Minecraft novel All of Cecelia Alao s friends call her Cece All one of them But she and Therese are so close that one friend is all Cece needs Both at school and in their shared Minecraft world Cece and

Therese are inseparable Until the night before the first day of school when Therese sends Cece a message three words that change everything We are moving Therese s new home in the USA is 7 000 miles away from Lagos where the two best friends grew up Not only is Cece facing secondary school without her best friend but she s losing the world she built with Therese But Cece still has hope Maybe she can t cross the world to get to her friend but in Minecraft she won t need to Therese has invited her to a new server with new friends from her new home a place called Haven All Cece has to do is join and they ll be reunited It s that easy right When she follows the invite she realizes just how wrong she was Lost in a chaotic world named Anarchia Cece learns that the server s owner a shadowy figure called the Ocury has sealed off the peaceful land of Haven behind a twisted initiation ceremony called the Haven Trials Three titanic tasks Five lives to complete them A host of dangerous mobs and griefing players If Cece fails she ll be banned from the server forever There s no way she can do this alone If she wants to play with Therese again she s going to have to find new people she can rely on both in game and IRL No time to lose The trials await
