Dalko: The Untold Story of Baseball's Fastest Pitcher Bill A. Dembski,Alex Thomas,Brian Vikander,2020-10-27

Gripping and tragic Dalko is the definitive story of Steve White Lightning Dalkowski baseball s fastest pitcher ever Dalko explores one man s unmatched talent on the mound and the forces that kept ultimate greatness always just beyond his reach For the first time Dalko The Untold Story of Baseball s Fastest Pitcher unites all of the eyewitness accounts from the coaches analysts teammates and professionals who witnessed the game s fastest pitcher in action In doing so it puts readers on the fields and at the plate to hear the buzzing fastball of a pitcher fighting to achieve his major league ambitions Just three days after his high school graduation in 1957 Steve Dalkowski signed into the Baltimore Orioles system Poised for greatness he might have risen to be one of the stars in the Baseball Hall of Fame Instead he spent his entire career toiling away in the minor leagues An inspiration for the character Nuke LaLoosh in the classic baseball film Bull Durham Dalko s life and story were as fast and wild as the pitches he threw The late Orioles manager Earl Weaver who saw baseball greats Nolan Ryan and Sandy Koufax pitch said Dalko threw harder than all of em Cal Ripken Sr Dalkowski s catcher for several years said the same Bull Durham screenwriter Ron Shelton who played with Dalkowski in the minor leagues said They called him Dalko and guys liked to hang with him and women wanted to take care of him and if he walked in a room in those days he was probably drunk This force on the field that could break chicken wire backstops and wooden fences with his heat but racked up almost as many walks as strikeouts in his career spent years of drinking all night and showing up on the field the next day just in time to show his wild heat again What the Washington Post called baseball s greatest what If story is one of a superhuman once in a generation gift a near mythical talent that refused to be tamed Steve Dalkowski will forever be remembered for his remarkable arm Said Shelton In his sport he had the equivalent of Michaelangelo s gift but could never finish a painting Dalko is the story of the fastest pitching that baseball has ever seen an explosive but uncontrolled arm Satchel Larry Tye,2010-05-04 NEW YORK TIMES BESTSELLER The superbly researched spellbindingly told story of athlete showman philosopher and boundary breaker Leroy Satchel Paige Among the rare biographies of an athlete that transcend sports gives us the man as well as the myth The Boston Globe Few reliable records or news reports survive about players in the Negro Leagues Through dogged detective work award winning author and journalist Larry Tye has tracked down the truth about this majestic and enigmatic pitcher interviewing more than two hundred Negro Leaguers and Major Leaguers talking to family and friends who had never told their stories before and retracing Paige s steps across the continent Here is the stirring account of the child born to an Alabama washerwoman with twelve young mouths to feed the boy who earned the nickname Satchel from his enterprising work as a railroad porter the young man who took up baseball on the streets and in reform school inventing his trademark hesitation pitch while throwing bricks at rival gang members Tye shows Paige barnstorming across America and growing into the superstar hurler of the Negro Leagues a marvel who set records so eye

popping they seemed like misprints spent as much money as he made and left tickets for Mrs Paige that were picked up by a different woman at each game In unprecedented detail Tye reveals how Paige hurt and angry when Jackie Robinson beat him to the Majors emerged at the age of forty two to help propel the Cleveland Indians to the World Series He threw his last pitch from a big league mound at an improbable fifty nine Age is a case of mind over matter he said If you don t mind it don t matter More than a fascinating account of a baseball odyssey Satchel rewrites our history of the integration of the sport with Satchel Paige in a starring role This is a powerful portrait of an American hero who employed a shuffling stereotype to disarm critics and racists floated comical legends about himself including about his own age to deflect inquiry and remain elusive and in the process methodically built his own myth Don t look back he famously said Something might be gaining on you Separating the truth from the legend Satchel is a remarkable accomplishment as large as this larger than life man

Lefty and Tim William C. Kashatus,2022-06 Lefty and Tim is the dual biography of Hall of Fame pitcher Steve Lefty Carlton and catcher Tim McCarver detailing their relationship from 1965 when they played with the St Louis Cardinals through 1980 when they played for the Philadelphia Phillies Along the way McCarver became Carlton s personal catcher and together they became the best battery in baseball in the mid to late 1970s At first glance Carlton and McCarver appear like an odd couple McCarver was old school Carlton new age At the beginning of his career McCarver believed that the catcher called the pitches encouraged the pitcher when necessary and schooled the pitcher when he deviated from the game plan But Lefty who pioneered the use of meditation and martial arts in baseball was stubborn too He wanted to control pitch selection Over time Carlton and McCarver developed a strong bond off the diamond that allowed them to understand and trust each other In the process Steve Carlton became one of the greatest left handers in the history of Major League Baseball an achievement that would not have been possible without Tim McCarver as his catcher Not only did McCarver mentor Carlton as a young hurler with the Cardinals but he helped resurrect Carlton s career when they were reunited in Philadelphia midseason in 1975 Carlton won his second Cy Young Award with McCarver behind the plate in 1977 Told in the historical context of the time they played the game Lefty and Tim recounts the pair s time in the tumultuous sixties with the racial integration of the St Louis Cardinals and the dominance of pitching and in the turbulent seventies characterized by MLB s labor tensions the arrival of free agency and the return of the lively ball that followed the lowering of the pitcher s mound in 1969
