Architectural Drawing Richard Phené Spiers,1887 Jesus "The Way, The Truth and The Life" Thd Bish,2011 Jesus The Way The Truth and The Life will prove that Jesus is the only Way to God the very embodiment of all Truth and the very essence of Life just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying I am the way the truth and the life and that no one comes to the Father except through Me This book will show using systematic theology proofs and truth arguments that Jesus is exactly who He says He is confirmed by God the Father the Holy Spirit and by Christ Himself Jesus said in Mark 8 27 of scripture Who do you say I Am This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that You are the Christ the Son of the Living God Time is getting short and Jesus is on His way back to earth It s not a time to be confused or wrong on issues having eternal consequences Though the book reads as a college textbook it forces you to think and study the word of God The book is most valuable in a curriculum setting or for those interested in Christian apologetics Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way truth and the life and all others are false This book stands on the foundation that a relationship with God thru Christ is by faith alone Sola Fide by grace alone Sola Gratia by Christ alone Solus Christus by scripture alone Sola Scriptura and with glory to God alone Soli Deo Gloria Dr Ronald N Bish ThD received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering For further information contact www.ronaldbish.com *The One*

Rhoades, 2012-11-20 For centuries most Christians have believed that Jesus was a fair skinned blue eyed Gentile and that because the New Testament was written in Greek the study of its Greek roots should take priority over the study of the Hebrew Scriptures In recent decades those conceptions have begun to change Jewish and Christian scholars have engaged together in examining the Jewishness of Jesus the Hebrew origins of Christianity and the Hebraic origins of Scripture with renewed interest In *Faith of the Ages* author Richard Rhoades explores the Jewishness of Jesus the first century community of believers and when where how and why early Christian leaders rejected those Hebraic origins *Faith of the Ages* investigates the origins of the Christian Church and looks at the anti-Semitism of the Greek and Latin Church fathers the Roman Emperor Constantine Roman Catholic Church authorities and leaders of the Reformation who all played a major role in moving Christianity away from its Hebraic roots Rhoades also examines passages of Scripture that Catholic and Protestant translators have changed by adding to and subtracting from certain words found in the ancient Greek manuscripts Simply stated *Faith of the Ages* answers questions about the Jewishness of Jesus the first century community of believers the Hebraic roots of the Christian faith and its rich Hebrew heritage and provides a compelling historical and biblical impetus for believers to reexamine their Christian faith
