

The Image Of Augustus

Nathan T. Elkins

The Image Of Augustus:

The Image of Augustus Susan Walker, Andrew M. Burnett, Andrew Burnett, 1981 This book introduces the historical background to Augustan portraiture and illustrates the development of the Emperor's public image from the beginning of his career in 44BC to the posthumous portraits which likened him to a god

The Power of Images in the Age of Augustus Paul Zanker, 1988 Examines the imperial mythology that was reflected by Roman art and architecture during the rule of Augustus Caesar

Ancient Rome Peter Chrisp, 2004-12 Uses art and artifacts to examine the world of the Roman Empire from its political and religious structure to its cultural characteristics

Augustus: Images of Power, Contains images of art and architecture from the period of Roman emperor Augustus Caesar 63 B C 14 A D Features the Mausoleum of Augustus seen in a reconstruction the Altar of Peace the statue of Augustus at Prima Porta and the Gemma Augustea a cameo of onyx Includes historical information

The Image of Augustus in the Greek World Lee Ann Riccardi, 1988 Abstract This thesis provides an examination of the portrait sculpture of Augustus which was set up in Roman Greece and Asia Minor and also investigates the imperial cult in which the portraits played an integral role The portraits demonstrate a remarkable variety in appearance but relative uniformity in some aspects of their contexts Many of them were set up beside or near images of members of Augustus family especially his heirs Thus they were a means to promote the authority of the dynasty and the succession of his family

Sol: Image and Meaning of the Sun in Roman Art and Religion, Volume II Steven E. Hijmans, 2024-04-02 With this analysis of Sol images Steven E Hijmans paints a new picture of the solar cult in ancient Rome The paucity of literary evidence led Hijmans to prioritize visual sources and he opens this study with a thorough discussion of the theoretical and methodological issues involved Emphasizing the danger of facile equivalencies between visual and verbal meanings his primary focus is Roman praxis manifest in for instance the strict patterning of Sol imagery These patterns encode core concepts that Sol imagery evoked when deployed and in those concepts we recognize the bedrock of Rome's understandings of the sun and his cult Case studies illustrate these concepts in action and the final chapter analyzes the historical context in which previous now discredited views on Sol could arise This is volume II of a two volume set

The Image of Political Power in the Reign of Nerva, AD 96-98 Nathan T. Elkins, 2017 At age 65 Nerva assumed the role of emperor of Rome just sixteen months later his reign ended with his death Nerva's short reign robbed his regime of the opportunity for the emperor's imperial image to be defined in building or monumental art leaving seemingly little for the art historian or archaeologist to consider In view of this paucity studies of Nerva primarily focus on the historical circumstances governing his reign with respect to the few relevant literary sources The Image of Political Power in the Reign of Nerva AD 96 98 by contrast takes the entire imperial coinage program issued by the mint of Rome to examine the self representation and by extension the policies and ideals of Nerva's regime The brevity of Nerva's reign and the problems of retrospection caused by privileging posthumous literary sources make coinage one of the only ways of reconstructing anything of his image

and ideology as it was disseminated and developed at the end of the first century during the emperor's lifetime. The iconography of this coinage and the popularity and spread of different iconographic types as determined by study of hoards and finds and as targeted towards different ancient constituencies offers a more positive take on a little studied emperor. Across three chapters Elkins traces the different reverse types and how they would have resonated with their intended audiences concluding with an examination of the parallels between text and coin iconography with previous and subsequent emperors. *The Image of Political Power in the Reign of Nerva AD 96-98* thus offers significant new perspectives on the agents behind the selection and formulation of iconography in the late first and early second century showing how coinage can act as a visual panegyric similar to contemporary laudatory texts by tapping into how the inner circle of Nerva's regime wished the emperor to be seen.

The Image of Augustus Susan Walker, Andrew (Andrew M.) Burnett, 1981

The Politics of the Piazza Eamonn Canniffe, 2016-03-03 Through a detailed study of the principal spaces of Italian cities this book explores the relationship between political systems and their methods of representation in architecture. Illustrated by contemporary photographs and analytical drawings it examines significant piazzas and situates these examples in their social and political contexts highlighting the urban evidence of shifts between autocratic and democratic forms of government through history. The ideological role of political architecture is analyzed through the work of various theorists including ancient sources, Renaissance thinkers and modern critics. The complex evolution of individual spaces over time is represented by their physical layering from ancient times to the present day. Other examples connect the development of different characteristic types of Italian urban form in chronological sequence categorized by art historical and political periods.

The Sacred Identity of Ephesos (Routledge Revivals) Guy Maclean Rogers, 2014-08-07 *The Sacred Identity of Ephesos* offers a full length interpretation of one of the largest known bequests in the Classical world made to the city of Ephesos in AD 104 by a wealthy Roman equestrian and challenges some of the basic assumptions made about the significance of the Greek cultural renaissance known as the Second Sophistic. Professor Rogers shows how the civic rituals created by the foundation symbolised a contemporary social hierarchy and how the ruling class used foundation myths, the birth of the goddess Artemis in a grove above the city as a tangible source of power to be wielded over new citizens and new gods. Utilising an innovative methodology for analysing large inscriptions Professor Rogers argues that the Ephesians used their past to define their present during the Roman Empire, shedding new light on how second century Greeks maintained their identities in relation to Romans, Christians and Jews.

The Image Of Augustus Introduction

In today's digital age, the availability of The Image Of Augustus books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Image Of Augustus books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Image Of Augustus books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Image Of Augustus versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Image Of Augustus books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Image Of Augustus books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Image Of Augustus books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT

OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Image Of Augustus books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Image Of Augustus books and manuals for download and embark on your journey of knowledge?
