The Image Of God In Work:

Healing Purpose Mark Topazian, 2025-10-07 Rediscover Meaning in Your Healthcare Career Working in healthcare can be immensely satisfying but it can also be challenging As a doctor nurse dentist therapist or other practitioner you find purpose in solving problems and helping sick people get better In fact that s probably why you chose healthcare in the first place But your days are often filled with stress responsibility and face to face encounters with suffering Maybe you re on the verge of burnout or perhaps you re wondering if there s a deeper meaning to your daily tasks In *Healing Purpose* physician and professor Mark Topazian helps you find satisfaction in your work by recognizing and embracing the spiritual aspects of your profession He shows you how seeing God s presence at the point of care can bring joy enhance your effectiveness and renew your sense of purpose as a healthcare professional Using stories from his experience treating patients and training healthcare workers around the world Topazian combines biblical perspectives with current research and practical advice for everyday situations This book Explores what the Bible says about health sickness suffering and healing Provides techniques for connecting with the spiritual dimension of patient care Explains how spiritual resources can help counter work related weariness Features discussion questions and practical exercises at the end of each chapter If you re a healthcare professional suffering from compassion fatigue this book will help you recover a healthy perspective and decide what needs to change If you re content in your work this book will open your eyes to the deeper purpose of your daily routine and new ways to thrive If you re a healthcare student or trainee this book offers a foundation for a fulfilling career Transform your approach to your career and get your copy today *We Become What We Worship* G K Beale, 2020-05-21 The heart of the biblical understanding of idolatry argues Gregory Beale is that we take on the characteristics of what we worship Employing Isaiah 6 as his interpretive lens Beale demonstrates that this understanding of idolatry permeates the whole canon from Genesis to Revelation Beale concludes with an application of the biblical notion of idolatry to the challenges of contemporary life **The Pinckaers Reader** Servais Pinckaers, 2005 Servais Pinckaers O P is one of the preeminent Catholic moral theologians of his generation His highly acclaimed works among them *The Sources of Christian Ethics* offer a thoroughly Thomistic and contemporary vision of the Christian moral life They reflect the philosophical and spiritual prowess of a moral theologian who is estranged neither from philosophical ethics nor from dogmatic theology neither from Scripture nor from spirituality The first collection of its kind available in any language this volume features the twenty most significant essays written by Pinckaers since his highly praised *Sources* The essays offer profound reflections that are only possible by a contemporary moral theologian who knows the thought of Aquinas from lifelong study Rather than taking a simply historical approach to Aquinas Pinckaers seeks the basis of the intelligibility of the moral life providing rich spiritual and theological insights along the way He plumbs the depths of fundamental moral theology in these essays where he treats Thomistic method and the renewal of moral theology beatitude and Christian anthropology moral agency and passions and virtues as

well as law and grace Such a detailed treatment of key issues in fundamental moral theology and Christian philosophical anthropology will certainly demand attention from every theologian and advanced student interested in Aquinas and in a virtue approach to Christian ethics Pinckaers's work has been an important source for the revival of interest in virtue oriented moral theology in recent years and will continue to be a major source for debates over the place of Scripture and the Holy Spirit in moral theology John Berkman is Associate Professor of Moral Theology and Area Director of Moral Theology Ethics at The Catholic University of America Craig Steven Titus is Research Fellow and Lecturer in the Department of Ethics and Moral Theology at the University of Fribourg and Visiting Professor at the Institute for the Psychological Sciences The essays are translated by Sr Mary Thomas Noble O P Craig Steven Titus Michael Sherwin O P and Hugh Connolly PRAISE FOR THE BOOK These essays speak of the sound and substantial contribution the thought of Servais Pinckaers has made to the renewal of moral theology called for by Vatican II In the microcosm of this Reader he shows how the New Law of the Gospel is the necessary rediscovery at once traditional and of the future that gives fresh heart and insight to Christian morality As Father Pinckaers looks at Thomistic method at beatitude and Christian anthropology moral agency passions and virtue law and grace he integrates morality and spirituality in a way that will guide the teacher of moral theology and suggest new paths for the speculative theologian Francis Cardinal George O M I Archbishop of Chicago The work of Servais Pinckaers is essential for the renewal of moral theology Pinckaers quite simply avoids the unhappy alternatives represented by recent debates in Catholic moral theology by a profound recovery of Aquinas understanding of beatitude and the virtues Pinckaers work moreover is as important for Protestant theological ethics as it is for Catholic moral theology This collection of essays wonderfully represents the heart of his work in a manner that provides us with a constructive alternative for the future We are in debt to John Berkman and Craig Steven Titus for making Pinckaers work available Stanley Hauerwas Duke University Virtue ethics the interloper in the morass of modern moral philosophy and acceptable even now only to a minority among Catholic moralists is here given a strong voice At last in English we have a representative sample of the work of the greatest exponent of this tradition drawing on deep knowledge of the theology of Saint Thomas Aquinas

Secularism and the Pursuit of Transcendence, Volume I Stanley E. Porter, Wendy J. Porter, 2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions

by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us *Central and Eastern European Bible Commentary* Corneliu

Constantineanu, Peter Penner, 2024-07-31 Available in the EU from Excelsis at <https://www.xl6.com/articles/9781783688227> central and eastern european bible commentary The Central and Eastern European Bible Commentary is a groundbreaking multi year work and the first full Bible commentary to come out of Central and Eastern Europe The aim of this resource is to provide a contemporary contextually relevant church based commentary written exclusively by biblical scholars from the region Rooted in scholarship while also written in clear and accessible language this commentary will appeal to Christians everywhere This resource will help pastors preachers teachers and lay leaders to interpret and apply biblical truths in the rapidly changing contexts of their lives and faith communities Features Central and Eastern European contextual theological applications of biblical teaching Over 100 articles addressing issues pertaining to our life as Christians in the twenty first century Clear accessible language which will appeal to Christians everywhere **The Trinity and Creation in Augustine**

Scott A. Dunham, 2008-08-07 The first English language book on Augustine s Trinitarian doctrine of creation The Trinity and Creation in Augustine explores Augustine s relevance for contemporary environmental issues Modern environmentally conscious thinkers often see Augustine s doctrines in a negative light feeling they have been used to justify humankind s domination of nature Considering Augustine s thought in his own time and in ours Scott A Dunham offers a more nuanced view He begins with a consideration of the major themes that have characterized ecologically sensitive theologies and Augustine s place in those discussions The primary examination considers how Augustine s doctrine of the Trinity informed his interpretation of the opening chapters of Genesis especially his conceptions of divine creation providence and dominion This analysis of Augustine s Trinitarian interpretation of Genesis stands in contrast to recent characterizations of classical conceptions of creation The book concludes with a discussion of Augustine s relevance for modern theological thought by appraising Augustine s Trinitarian doctrine of creation in relation to ecological themes in theological ethics *Figures in the Carpet* Wilfred M. McClay, 2007-01-02 Figures in the Carpet presents a stellar roster of first rate historians dealing seriously with a perennially important subject The case studies and more theoretical accounts in this book amount to an unusually

perceptive assessment of how the person has been viewed in American history **Applied Old Testament Commentary** Tom Hale, Steve Thorson, 2007 The wisdom found in God s Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary

language allows for easy reading And because some subjects are open to interpretation for discussion we ve included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about *God's Saving Grace* Frank J. Matera,2012-11-17 Distinguished biblical scholar Frank Matera here views the theology of the Pauline letters through the lens of the saving grace that Paul experienced at his call and conversion Focusing on Christology soteriology theology anthropology ecclesiology ethics and eschatology Matera explores both the unity and the diversity of the thirteen Pauline letters Written in a clear and coherent style God s Saving Grace presents students professors and pastors with a comprehensive yet concise and accessible overview of the theology found in the entire corpus of Paul s letters *St. Augustin* Saint Augustine (of Hippo),1887
