The Immoderate Past The Southern Writer And History:

The Immoderate Past Clarence Hugh Holman, 1977 *The Immoderate Past* C. Hugh Holman, 2008

The Immoderate Past deals with the southern writer's preoccupation with history concentrating on representative novelists from three major periods Finding the origins of this preoccupation in the antebellum period when most American novelists wrote in the mode of Sir Walter Scott C Hugh Holman examines the Revolutionary romances of William Gilmore Simms With the coming of realism to American fiction after the Civil War the southern writer turned to a combination of the realistic method with the novel of manners in order to describe the way of life in the South during the nineteenth century The Civil War replaced the American Revolution as the crucial event in the novels of this second period and was seen as disrupting the quality and texture of antebellum southern life To illustrate the southern novel in the realistic tradition Holman discusses Ellen Glasgow's *The Battleground* DuBose Heyward's *Peter Ashley* Stark Young's *So Red the Rose* Allen Tate's *The Fathers* Margaret Mitchell's *Gone with the Wind* and Margaret Walker's *Jubilee* Since the 1930s writers in the region have experimented with modernistic techniques distorting reality in order to make special statement about the nature and meaning of the southern experience To illustrate this latest development in southern writing Holman turns to William Faulkner's *Light in August* and *Absalom Absalom* Robert Penn Warren's *All the King's Men* *World Enough and Time* *Brother to Dragons* and *Wilderness* and William Styron's *Confessions of Nat Turner* The Immoderate Past closes with a consideration of the extent to which southern novelists have persisted in using time as a major dimension in their fiction whereas time has tended to be displaced by space in the standard American novel

Immoderate Past Clarence H. Holman, 1977-01-01 [Shelby Foote and the Art of History](#) James Panabaker, 2004 Panabaker examines several key influences on Foote's development as a writer and historian from his upbringing in the progressive southern town of Greenville Mississippi and his relationship with William Alexander Percy to the inescapable shadow of Faulkner Jacket

Southern Writers at Century's End Jeffrey J. Folks, James A. Perkins, 2021-12-14 Since the end of World War II the South has experienced a greater awareness of growth and of its accompanying tensions than other regions of the United States The rapid change that climaxed with the war in Vietnam the Cold War civil rights demonstrations and Watergate has forced the traditional South to come to terms with social upheaval As the essays collected in *Southern Writers at Century's End* point out southern writing since 1975 reflects the confusion and violence that have characterized late twentieth century public culture These essays consider the work of twenty one of the foremost southern writers whose most important fiction has appeared in the last quarter of this century As the region's contemporary writers have begun to gain a wide audience critics have begun to distinguish what Hugh Holman has called the fresh the vital and the new in southern literary culture *Southern Writers at Century's End* is the first volume to take an extensive look at the current generation of southern writers Authors considered include James Lee Burke Fred Chappell Robert Drake Andre Dubus Clyde Edgerton Richard Ford Kaye Gibbons John Grisham Barry Hannah Mary Hood Josephine

the Cambridge History of American Literature examines a broad range of American literature of the past half century revealing complex relations to changes in society Christopher Bigsby discusses American dramatists from Tennessee Williams to August Wilson showing how innovations in theatre anticipated a world of emerging countercultures and provided America with an alternative view of contemporary life Morris Dickstein describes the condition of rebellion in fiction from 1940 to 1970 linking writers as diverse as James Baldwin and John Updike John Burt examines writers of the American South describing the tensions between modernization and continued entanglements with the past Wendy Steiner examines the postmodern fictions since 1970 and shows how the questioning of artistic assumptions has broadened the canon of American literature Finally Cyrus Patell highlights the voices of Native American Asian American Chicano gay and lesbian writers often marginalized but here discussed within and against a broad set of national traditions

The New Encyclopedia of Southern Culture M. Thomas Inge, Charles Reagan Wilson, 2014-02-01 Offering a comprehensive view of the South's literary landscape past and present this volume of *The New Encyclopedia of Southern Culture* celebrates the region's ever flourishing literary culture and recognizes the ongoing evolution of the southern literary canon As new writers draw upon and reshape previous traditions southern literature has broadened and deepened its connections not just to the American literary mainstream but also to world literatures a development thoughtfully explored in the essays here Greatly expanding the content of the literature section in the original *Encyclopedia* this volume includes 31 thematic essays addressing major genres of literature theoretical categories such as regionalism the southern gothic and agrarianism and themes in southern writing such as food religion and sexuality Most striking is the fivefold increase in the number of biographical entries which introduce southern novelists playwrights poets and critics Special attention is given to contemporary writers and other individuals who have not been widely covered in previous scholarship

Cotton's Queer Relations Michael P. Bibler, 2009-02-10 Finally breaking through heterosexual clichés of flirtatious belles and cavaliers sinister black rapists and lusty Jezebels *Cotton's Queer Relations* exposes the queer dynamics embedded in myths of the southern plantation Focusing on works by Ernest J Gaines William Faulkner Tennessee Williams Lillian Hellman Katherine Anne Porter Margaret Walker William Styron and Arna Bontemps Michael P Bibler shows how each one uses figures of same sex intimacy to suggest a more progressive alternative to the pervasive inequalities tied historically and symbolically to the South's most iconic institution Bibler looks specifically at relationships between white men of the planter class between plantation mistresses and black maids and between black men arguing that while the texts portray the plantation as a rigid hierarchy of differences these queer relations privilege a notion of sexual sameness that joins the individuals as equals in a system where equality is rare indeed Bibler reveals how these models of queer egalitarianism attempt to reconcile the plantation's regional legacies with national debates about equality and democracy particularly during the eras of the New Deal World War II and the civil rights movement *Cotton's Queer Relations* charts bold new territory in southern studies and queer studies alike bringing together history and cultural theory
