My Yes Is on the Table Jennifer Hand, 2022-04-05 Isn't it time you said yes to God What's holding you back The risk The unknown The unwillingness to shake up the comfortable status quo Whatever it is if you're not in God's best place you're missing out on something great The Lord is calling you into a Promised Land But it's going to take some faith steps to get there Jenn Hand wants you to be able to say to God My yes is on the table Not halfheartedly Not half the time Not halfway there Jenn wants you to go all in with God because God is all in for you My Yes Is on the Table takes you into the story of the Israelites as they journeyed out of the wilderness and into the Holy Land that God had granted them Each chapter will challenge you to move from a fear stop to a faith step And once you've started taking those steps with God there's no telling where you'll end up For too long you've been paralyzed by fear of the future You feel God calling You want to go forward with His plans Yet fear has stopped you from taking the leap No more Instead of letting fear stop you short let faith call you forward with newfound confidence and holy boldness Put your yes on the table and watch God do more in your life than you could have ever imagined

Gender, Race, and American Science Fiction Jason Haslam, 2015-05-08 This book focuses on the interplay of gender race and their representation in American science fiction from the nineteenth century through to the twenty first and across a number of forms including literature and film Haslam explores the reasons why SF provides such a rich medium for both the preservation of and challenges to dominant mythologies of gender and race Defining SF linguistically and culturally the study argues that this mode is not only able to illuminate the cultural and social histories of gender and race but so too can it intervene in those histories and highlight the ruptures present within them The volume moves between material history and the linguistic nature of SF fantasies from the specifics of race and gender at different points in American history to larger analyses of the socio cultural functions of such identity categories SF has already become central to discussions of humanity in the global capitalist age and is increasingly the focus of feminist and critical race studies in combining these earlier approaches this book goes further to demonstrate why SF must become central to our discussions of identity writ large of the possibilities and failings of the human past present and future Focusing on the interplay of whiteness and its various others in relation to competing gender constructs chapters analyze works by Nathaniel Hawthorne Mary E Bradley Lane Edgar Rice

Burroughs Philip Francis Nowlan George S Schuyler and the Wachowskis Frank Herbert William Gibson and Octavia Butler Academics and students interested in the study of Science Fiction American literature and culture and Whiteness Studies as well as those engaged in critical gender and race studies will find this volume invaluable **Disappearing Object**

Phenomenon Tony Jinks,2016-10-14 Have you ever had your car keys or television remote control inexplicably vanish from under your nose only to reappear months later in another part of the house for no evident reason Most would dismiss it as absent mindedness with perhaps a joking remark about paranormal activity Yet remarkable circumstances surrounding many such accounts suggest that the mysterious disappearance of objects could be more than just one of those things Examining a large selection of fascinating narratives this book reviews the disappearing object phenomenon DOP from a scientific standpoint Both skeptical and supportive perspectives on DOP are considered leading to the conclusion that disappearing appearing and reappearing objects are indicators of a controversial take on the nature of reality *The Classic Collection of*

Relentless John Bevere,2012-12-18 Flee or Fight You experience adversity You know what it is like to endure hardship You hold on buckle down and ride the wave of bad fortune praying you will make it out alive You just do what it takes to survive But what if these trials had the raw potential to change your life What if the challenges you face could propel you to the next level of faith and maturity What if you were designed to thrive in adversity not merely get by John Bevere wants to take you on a journey to unlock your tenacity As he recounts the stories of Jesus and John the Baptist as well as

those of many contemporary believers he presents a powerful pattern. These pillars of faith do not just hang on and survive troubles. They look adversity in the face and stare it down. Armed with the truth in the Word and the power of prayer you too can join the determined ranks of the army of God. Will you fight relentlessly? Learn today how to fight, never give up and enjoy all God has for you. John Bevere has a mandate on his life to serve the body of Christ. His desire to see everyone find and flourish in their God-given destiny is evident in his teachings. His love for Christ and deep revelation of the Word of God will have you pursuing the cause of Christ relentlessly. Brian and Bobbie Houston, senior pastors, Hillsong Church. Derrida and Religion Yvonne Sherwood, Kevin Hart, 2004-09-30. Derrida and Religion: Other Testaments represents the most comprehensive attempt to date to explore, adapt and test Derrida's contributions and influence on the study of theology, biblical studies and the philosophy of religion. With over twenty original essays from highly respected scholars such as John Caputo, Daniel Boyarin, Edith Wyschogrod, Tim Beal and Gil Anidjar, Derrida and Religion will quickly become the locus classicus for those interested in the increasingly vibrant work on religion and deconstruction and postmodernism. **"The Time Is Fulfilled"** Lynne Moss Bahr, 2018-12-27. In this study Lynne Moss Bahr explores the concept of temporality as central to Jesus's proclamation of the Kingdom of God. Using insights from continental philosophy on the messianic which expose the false claim that time progresses in a linear continuum, Bahr presents these philosophical positions in critical dialogue with the sayings of Jesus regarding time and time's fulfillment. She shows how the Kingdom represents the possibilities of a disruption in time, one that reveals the intrinsic relation between God and humanity. In illustrating how Jesus's sayings regarding time are thus expressions of his messianic identity as of the world and not of the world, Bahr argues that the meaning of Jesus's identity as Messiah is embedded in the disjuncture of time in the impossibility of now from which the Kingdom comes. Bahr's use of critical theory in this study expands the concept of God's Kingdom beyond the traditional confines of the discipline.
