A Sufi-Jewish Dialogue Diana Lobel,2013-03-01 Written in Judeo Arabic in eleventh century Muslim Spain but quickly translated into Hebrew Bahya Ibn Paquda s Duties of the Heart is a profound guidebook of Jewish spirituality that has enjoyed tremendous popularity and influence to the present day Readers who know the book primarily in its Hebrew version have likely lost sight of the work s original Arabic context and its immersion in Islamic mystical literature In A Sufi Jewish Dialogue Diana Lobel explores the full extent to which Duties of the Heart marks the flowering of the Jewish Arab symbiosis the interpenetration of Islamic and Jewish civilizations Lobel reveals Bahya as a maverick who integrates abstract negative theology devotion to the inner life and an intimate relationship with a personal God Bahya emerges from her analysis as a figure so steeped in Islamic traditions that an Arabic reader could easily think he was a Muslim yet the traditional Jewish seeker has always looked to him as a fountainhead of Jewish devotion Indeed Bahya represents a genuine bridge between religious cultures He brings together as well a rationalist philosophical approach and a strain of Sufi mysticism paving the way for the integration of philosophy and spirituality in the thought of Moses Maimonides A Sufi Jewish Dialogue is the first scholarly book in English about a tremendously influential work of medieval Jewish thought and will be of interest to readers working in comparative literature philosophy and religious studies particularly as reflected in the interplay of the civilizations of the Middle East Readers will discover an extraordinary time when Jewish Christian and Islamic thinkers participated in a common spiritual quest across traditions and cultural boundaries
