Sinners And Saints:

Sinners Sophia Henry, 2019-11-07 Saints and Sinners Duet Book 2 Sinners and Saints: A Tour Across the States and Round Them with Three Months Among the Mormons Philip Stewart Robinson, 2020-09-28 How treacherously the trains in America start There is no warning given so far as an ordinary passenger can see that the start is under contemplation and it takes him by surprise The American understands that All aboard means If you don't jump up at once you'll be left behind But to those accustomed to a first and a second and a third bell and accustomed too not to get up even then until the guard has begged them as a personal favour to take their seats the sudden departure of the American locomotive presents itself as a rather shabby sort of practical joke The quiet unobtrusive scenery beyond Philadelphia is English in character and would be still more so if there were hedges instead of railings By the way whenever reading biographical notices of distinguished Americans I have been surprised to find that so many of them at one time or other had split rails for a subsistence But now that I have followed the course of empire West I am not the least surprised I only wonder that every American has not split rails at one time or another or indeed gone on doing it all his life For how such a prodigious quantity of rails ever got split even supposing distinguished men to have assisted in the industry in early life passes my feeble comprehension All the way from New York to Chicago there are on an average twenty lines of split rails running parallel with the railway track in sight all at once And after all this is only one narrow strip across a gigantic continent In fact the two most prominent natural features of the landscape along this route are dwarf firs and split rails But no writer on America has ever told me so Nor have I ever been told of the curious misapprehension prevalent in the States as to the liberty of the subject in the British Isles

Redeemed Dan Hoppen, 2021 How many times have we heard the words God loves you and yet not believed them because we have made a wreck of our lives and felt unworthy of His love We hear those words all the time but how can we see them in action We see them through God's power to redeem and repair broken lives In Redeemed adult Christians will find examples of God's redemption as they explore several key Bible characters who really messed things up Readers will see how God forgave and restored these people repaired the damage and brought meaning and purpose in their lives Though readers may feel that their failings have erected a permanent barrier between themselves and God they will learn how God redeems His people time and time again through the Word and Sacraments their church friends family and other circumstances
