Steamboats and Sailors of the Great Lakes Mark L. Thompson,2017-12-01 *Steamboats and Sailors of the Great Lakes* traces the evolution of the Great Lakes shipping industry over the last three centuries The Great Lakes shipping industry can trace its lineage to 1679 with the launching on Lake Erie of the Griffon a sixty foot galley weighing nearly fifty tons Built by LaSalle a French explorer who had been commissioned to search for a passage through North America to China it was the first sailing ship to operate on the upper lakes signaling the dawn of the Great Lakes shipping industry as we know it today *Steamboats and Sailors of the Great Lakes* is the most thorough and factual study of the Great Lakes shipping industry written this century Author Mark L Thompson tells the fascinating story of the world's most efficient bulk transportation system describing the Great Lakes freighters the cargoes of the great ships and the men and women who

have served as crew He documents the dramatic changes that have taken place in the industry and looks at the critical role that Great Lakes shipping plays in the economic well being of the U S and Canada despite the fact that the size of the fleet and the amount of cargo carried have declined dramatically in recent years Spanning more than three centuries from LaSalle's voyage in 1679 through 1975 with the mysterious sinking of the Edmund Fitzgerald to life aboard today's thousand foot behemoths this important volume documents the evolution of the industry through its Golden Age at the end of the nineteenth century to the present with a downsized U S fleet that numbers fewer than seventy vessels *Great Lakes Shipwrecks & Survivals* William Ratigan, 1989-01-18 In this breathtaking chronicle of the most spectacular shipwrecks and survivals on the Great Lakes William Ratigan re-creates vivid scenes of high courage and screaming panic from which no reader can turn away Included in this striking catalog of catastrophes and Flying Dutchmen are the magnificent excursion liner Eastland which capsized at her pier in the Chicago River drowning 835 people within clutching distance of busy downtown streets the shipwrecked steel freighter Mataafa which dumped its crew into freezing waters while the snowbound town of Duluth looked on the dark Sunday in November 1913 when Lake Huron swallowed eight long ships without a man surviving to tell the tale and the bitter November of 1958 when the Bradley went down in Lake Michigan during one of the greatest killer storms on the freshwater seas An entire section is dedicated to the wreck of the Edmund Fitzgerald the most famous maritime loss in modern times in Lake Superior in 1975 Chilling watercolor illustrations photographs maps and news clippings accentuate Ratigan's compelling and dramatic storytelling Sailors historians and general readers alike will be swept away by these unforgettable tales of tragedy and heroism *So Terrible a Storm* Curt Brown, 2011-05-04 Not since Sebastian Junger in *The Perfect Storm* has a writer captured so well the fury of the seas as Curt Brown The Maritime Executive Through masterful research and elegant prose Curt Brown traces the devastating intersection of nature's fury and corporate greed It was Thanksgiving week 1905 and the industry bosses wanted one last run before the shipping season ended the bottom line depended on it The tragedy that followed led to the building of Split Rock Lighthouse and went down in history as one of the nation's worst shipping disasters The explosive squall caught nearly 30 vessels on Lake Superior In the wake of the storm weather forecasting and shipbuilding were forever changed Drawn from the accounts of witnesses and survivors *So Terrible a Storm* is a must read *A Nice Cup of Tea* Celia Imrie, 2019-08-06 In this witty third novel in the Nice series from beloved actress Celia Imrie the retired expats in the South of France must rally to save their failing restaurant and protect Theresa from an unsavory stalker The beautiful town of Bellevue sur Mer tucked between glitzy Monte Carlo and the plush red carpets of Cannes is home to Theresa Carol William Benjamin and Sally five retired expats who have pooled their resources to set up La Mosa que a divine little restaurant But there is trouble in paradise the friends are desperately struggling to make ends meet It will take every bit of their talent and gumption to save La Mosa que With fussy customers obnoxious cruise parties and a failing delivery van it's certainly not going to be easy On top of this Theresa

and Sally have their own distractions Theresa's teenage granddaughter has run away and Theresa herself has been getting mysterious phone calls and the strong sense that someone's watching her Meanwhile Sally's run into a nasty couple from her acting days and their barbed jibes are enough to send her on an ill advised search for the limelight A Nice Cup of Tea is a delightful cozy mystery a wickedly fun page turner that's sassier than a cup of tea no matter how Nice Great Laker ,2002
