

Bee-eaters (bird study)

- love the vibrancy of the colors, really like the colors
- did the painting look too good? if that's the case, I think I love it very much
- love the way the wings look, I think I like the way the wings look
- maybe a little more detailed around the head, I think I like it

the only reason I like the black back is because it's so dark and I like the way it looks

- maybe I should have used black for the head, I think I like it
- the way the head is, I think I like it
- the way the head is, I think I like it

- love the colors of the feathers, I think I like it
- the second one, I think I like it
- the third one, I think I like it
- the fourth one, I think I like it

- maybe I should have used black for the head, I think I like it
- the way the head is, I think I like it
- the way the head is, I think I like it

kindly a favorite of mine
