

RHETORICAL DEVICES

Sententia

The majority of moral sayings, be it a proverb maxim or aphorism, any expression of conventional wisdom.

E.g. "War is superior to a bad peace."

Syllepsis

You use this device when you want to give a one-word different meaning than it usually has in relation to other words in the sentence or grammatical structure.

E.g. "His voice reaches so high, and goes way over his smug head"

Synathroesmus

This rhetorical device is used to put someone down or to put it harshly, verbally mutilate them.

E.g. "He is a no-good, clumsy awkward, disease-stricken ape of a man"

Tapinosis

Another phrase for this rhetorical device would be calling somebody names. It denotes vulgar, or derogatory language.

E.g. "Listen up you maggots. You are nothing but mamma's boys, good or nothing, disgraces of manhood, pieces of dog crap".

Topographia

In rhetorics, topographia refers to a lavish or even poetic description of a place.

E.g. Every time you encounter a detailed description of something in a book you know you are reading an example of topographia.

Sentential Adverbs

When we want to give, power or emphasis to an adverb. It is either a single word or a quick and easy phrase that breaks the syntax of the sentence or grammatical construction.

E.g. "She did not, in fact, divorce her husband"

Symploce

Repeating the same word or phrase at the beginning of a couple of continues sentences.

E.g. "The lunatic is not the person who lost his mind. The lunatic is the person who lost everything, but his mind"

Synecdoche

When you use a part of a sentence or grammatical structure to refer or represent the whole, you are using synecdoche.

E.g. We say America instead of United States of America

Tricolon

Three similar words or phrases, expressed one after the other. This is done to give the description of a thing or person its sort of sense of completeness.

E.g. "I need three things in a woman. Beauty, jealousy, and no brain"

Pysma

When we want to discredit someone with a series of aggressive questions that the opponent can't answer all at once.

E.g. "Who did your party support in 45? On which side of the war were you back then? Were you intending to defend our freedom? The freedom of the world?"

Styles For Writing A Brief Rhetoric
