Organization of American States

Subversion In Action:

Subversive Action Nilan Yu, Deena Mandell, 2015-12-10 Subversive Action presents cases that explore the use of extralegal action undertaken in pursuit of human rights and social justice and locate that action with reference to the boundaries of social work. Definitions of social work often include goals of social change, social justice, empowerment, and the liberation of people, but social work texts make little mention of extralegal actions. Mainstream conceptions of social work usually consider it to fall within the framework of particular legal and societal contexts. As such, it is presented with boundaries for legitimate action, even as it espouses principles that may require it to challenge these boundaries. How does one do social work in legal and societal contexts that challenge these principles with institutional and state-mandated exclusion and discrimination? Should social workers simply act within the bounds of the law in line with their professional sanction and mandate? Do their actions qualify as social work if they are beyond the limits of the law? The essays in this volume, by authors from around the world, raise these questions by providing a basis for reflection about the claims we make in social work embodied in discourses on social justice and human rights. *Organization of American States Combined Reports on Communist Subversion* Organization of American States. Special Consultative Committee on Security, United States. Congress. Senate. Committee on the Judiciary, 1965. *Combined Reports on Communist Subversion* Organization of American States, 1965.

Subversion in Institutional Change and Stability Jan Olsson, 2016-07-13 This book theorizes subversive action, a neglected mechanism in the new institutionalism literature. Subversive action is political in nature, secretly undermining some institutions to open up alternative ideas or to secure existing institutions by secretly undermining adversaries. An example is a politician who promises change in public but does something else behind the scenes to preserve the status quo. The book addresses the nature and meaning of subversive action and the contexts that give rise to it, as well as how it can work as an important mechanism behind institutional change and continuity. The book will interest students and scholars of public policy, public administration, and political science. *Subversion 1.6 Official Guide* Ben

Collins-Sussman, Brian W. Fitzpatrick, C. Michael Pilato, 2009-10 This is the official guide and reference manual for Subversion 1.6, the popular open source revision control technology. [Castro-communist Subversion in the Western Hemisphere](#) United States. Congress. House. Committee on Foreign Affairs, 1963. Classified material has been deleted.

Castro-communist Subversion in the Western Hemisphere, 1963 **Cuba as a Base for Subversion in America** Organization of American States. Special Consultative Committee on Security, United States. Congress. Senate. Committee on the Judiciary, 1963. [Subversion 2.0](#) Christopher Whyte, 2024 Why are conspiracy theories, extremist rhetoric, and acts of antagonism by fringe elements of society so much more visible today than in years past? In Subversion 2.0, Christopher Whyte makes the case that leaderlessness, characterized by an evolving and uneven feedback loop linking fringe spaces to mainstream elite rhetoric and popular discourse, has emerged as the default format of subversive activity in the digital age. By

examining the uneven feedback loop of leaderlessness Whyte argues that social Internet platforms act as a vehicle for transmitting and amplifying extreme rhetoric but often fail to moderate extremism in turn *Version Control with Subversion* C. Michael Pilato, Ben Collins-Sussman, Brian W. Fitzpatrick, 2008 One of the greatest frustrations in most software projects is managing changes to information This guide written by members of the Subversion open source development team introduces the powerful new versioning tool designed to be the successor to the Concurrent Version System or CVS
