Subversions Affirmations:

Indigenous Bodies Jacqueline Fear-Segal, Rebecca Tillett, 2013-10-01 An interdisciplinary exploration of indigenous bodies This interdisciplinary collection of essays by both Natives and non Natives explores presentations and representations of indigenous bodies in historical and contemporary contexts Recent decades have seen a wealth of scholarship on the body in a wide range of disciplines Indigenous Bodies extends this scholarship in exciting new ways bringing together the disciplinary expertise of Native studies scholars from around the world The book is particularly concerned with the Native body as a site of persistent fascination colonial oppression and indigenous agency along with the endurance of these legacies within Native communities At the core of this collection lies a dual commitment to exposing numerous and diverse disempowerments of indigenous peoples and to recognizing the many ways in which these same people retained and or reclaimed agency Issues of reviewing relocating and reclaiming bodies are examined in the chapters which are paired to bring to light juxtapositions and connections and further the transnational development of indigenous studies Jaune Quick-to-See Smith Carolyn

Kastner, 2013-10-15 The first full length critical analysis of the paintings of Jaune Quick to See Smith this book focuses on Smith s role as a modernist in addition to her status as a wellknown Native American artist With close readings of Smith s work Carolyn Kastner shows how Smith simultaneously contributes to and critiques American art and its history Smith has distinguished herself as a modernist both in her pursuit of abstraction and her expressive technique but too often her identity as a Native American artist has overshadowed these aspects of her work Addressing specific themes in Smith s career Kastner situates Smith within specific historical and cultural moments of American art comparing her work to the abstractions of Kandinsky and Mir as well as to the pop art of Rauschenberg and Johns She discusses Smith s appropriation of pop culture icons like the Barbie doll reimaged by the artist as Barbie Plenty Horses As Kastner considers how Smith constructs each new series of artworks within the artistic social and political discourse of its time she defines her contribution to American modernism and its history Discussing the ways in which Smith draws upon her cultural heritage both Native and non Native Kastner demonstrates how Smith has expanded the definitions of American and modernist art

Countermemory April L. O'Brien, James Chase Sanchez, 2025 Countermemory A Rhetoric of Resistance investigates the interdisciplinary dimensions of countermemory through a rhetorical lens by drawing upon a mixed methodological approach that includes site based analysis participant observation textual analysis and historiography The authors apply these approaches to physical locations such as memorial sites and museums but also in digital spaces like music videos tv shows and maps to show the different ways that countermemory may exist Junctures in Women's Leadership Judith K.

Brodsky, Ferris Olin, 2018-09-20 In this third volume of the series Junctures Case Studies in Women s Leadership Judith K Brodsky and Ferris Olin profile female leaders in music theater dance and visual art The diverse women included in Junctures in Women s Leadership The Arts have made their mark by serving as executives or founders of art organizations by working

as activists to support the arts or by challenging stereotypes about women in the arts The contributors explore several important themes such as the role of feminist leadership in changing cultural values regarding inclusivity and gender parity as well as the feminization of the arts and the power of the arts as cultural institutions Amongst the women discussed are Bertha Honor Palmer Louise Noun Samella Lewis Julia Miles Miriam Col n Jaune Quick To See Smith Bernice Steinbaum Anne d Harnoncourt Martha Wilson Jawole Willa Jo Zollar Kim Berman Gilane Tawadros Joanna Smith and Veomanee Douangdala

Engaged Resistance Dean Rader, 2011-04-01 From Sherman Alexie s films to the poetry and fiction of Louise Erdrich and Leslie Marmon Silko to the paintings of Jaune Quick To See Smith and the sculpture of Edgar Heap of Birds Native American movies literature and art have become increasingly influential garnering critical praise and enjoying mainstream popularity Recognizing that the time has come for a critical assessment of this exceptional artistic output and its significance to American Indian and American issues Dean Rader offers the first interdisciplinary examination of how American Indian artists filmmakers and writers tell their own stories Beginning with rarely seen photographs documents and paintings from the Alcatraz Occupation in 1969 and closing with an innovative reading of the National Museum of the American Indian Rader initiates a conversation about how Native Americans have turned to artistic expression as a means of articulating cultural sovereignty autonomy and survival Focusing on figures such as author director Sherman Alexie Flight Face and Smoke Signals artist Jaune Quick To See Smith director Chris Eyre Skins author Louise Erdrich Jacklight The Last Report on the Miracles at Little No Horse sculptor Edgar Heap of Birds novelist Leslie Marmon Silko sculptor Allen Houser filmmaker and actress Valerie Red Horse and other writers including Joy Harjo LeAnne Howe and David Treuer Rader shows how these artists use aesthetic expression as a means of both engagement with and resistance to the dominant U S culture Raising a constellation of new questions about Native cultural production Rader greatly increases our understanding of what aesthetic modes of resistance can accomplish that legal or political actions cannot as well as why Native peoples are turning to creative forms of resistance to assert deeply held ethical values

Art for a New Understanding Mindy N. Besaw, Candice Hopkins, Manuela Well-Off-Man, 2018-10-24 Art for a New Understanding an exhibition from Crystal Bridges Museum of American Art that opened in October 2018 seeks to radically expand and reposition the narrative of American art since 1950 by charting a history of the development of contemporary Indigenous art from the United States and Canada beginning when artists moved from more regionally based conversations and practices to national and international contemporary art contexts This fully illustrated volume includes essays by art historians and historians and reflections by the artists included in the collection Also included are key contemporary writings from the 1950s onward by artists scholars and critics investigating the themes of transculturalism and pan Indian identity traditional practices conducted in radically new ways displacement forced migration shadow histories the role of personal mythologies as a means to reimagine the future and much more As both a survey of the development of Indigenous art from the 1950s to the present and a consideration of

Native artists within contemporary art more broadly Art for a New Understanding expands the definition of American art and sets the tone for future considerations of the subject It is an essential publication for any institution or individual with an interest in contemporary Native American art and an invaluable resource in ongoing scholarly considerations of the American contemporary art landscape at large

Native North American Art Janet Catherine Berlo, Ruth Bliss Phillips, 2015 This lively introductory survey of indigenous North American arts from ancient times to the present explores both the shared themes and imagery found across the continent and the distinctive traditions of each region Focusing on the richness of artwork created in the US and Canada Native North American Art Second Edition discusses 3 000 years of architecture wood and rock carvings basketry dance masks clothing and more The expanded text discusses twentieth and twenty first century arts in all media including works by James Luna Kent Monkman Nadia Myre Jaune Quick to See Smith Will Wilson and many more Authors Berlo and Phillips incorporate new research and scholarship examining such issues as art and ethics gender representation and the colonial encounter By bringing into one conversation the seemingly separate realms of the sacred and the secular the political and the domestic and the ceremonial and the commercial Native North American Art shows how visual arts not only maintain the integrity of spiritual and social systems within Native North American societies but have long been part of a cross cultural experience as well

Shakespearean Subversions Richard Hillman, 1992 This book traces manifestations of trickery and subversion across the Shakespearean canon in such a way as to bring together several diverse strands of critical thought By isolating a principle of subversiveness that cuts across the standard categories Richard Hillman shows a relation amongst otherwise disparate aspects of the plays and delineates broad patterns of development In Shakespearean Subversions discussion of such obviously subversive character types as the Clown the Fool and the Machiavellian villain is incorporated into a broader concern with disruptive energy not as a thematic motif but as a generative influence on textual production Hillman suggests that this influence may be exercised paradoxically through the counter claims of social order The book situates this central idea in relation to a number of theoretical positions including New Historicism Cultural Materialism and Bakhtin's concept of the carnivalesque The primary conceptual anchor is supplied by recent anthropological interpretations of the folklore figure known as the Trickster The subsequent plan of the book is wide ranging there is discussion of almost every play with some unusual associations across boundaries of genre and a number of radically unconventional specific interpretations Shakespearean Subversions will appeal to specialists and to any reader with a serious interest in Shakespearean drama

Exotic Subversions in Nineteenth-century French Fiction Jennifer Yee, 2017-07-05 In the course of the nineteenth century France built up a colonial empire second only to Britain's The literary tradition in which it dealt with its colonial Other is frequently understood in terms of Edward Said's description of Orientalism as both a Western projection and a will to govern over the Orient There is however a body of works that eludes such a simple categorisation offering glimpses of colonial resistance of a critique of imperialist hegemony or of a blurring of

the boundaries between the Self and the Other Some of the ways in which the imperialist enterprise is subverted in the metropolitan literature of this period are examined in this volume through detailed case studies of key works by Chateaubriand Hugo Flaubert and Segalen George Grant and the Subversion of Modernity Arthur Davis, 1996-12-15

George Grant's mystique as a public philosopher is due in part to the seemingly contradictory political stances he took through the years His opposition to the Vietnam war and his linking of liberalism with technological progress and imperialism brought him favour among the political left during the 1960s Then in the following decade his opposition to abortion earned him allies on the political right despite his rejection of limitless capitalist growth and free trade with the US This collection of original essays reveals the complex philosophic artistic and religious sources underlying Grant's public positions of nationalism pacifism and conservatism The collection begins with Grant's previously unpublished writing on C line This is a bold and vigorous Grant writing on a topic about which he is passionate and deeply informed Grant's own work is followed by two pieces that explore his devotion to C line Nietzsche Heidegger Weil and Strauss also receive special attention here Many of the essays draw on manuscripts and notes left unpublished by Grant thus contributing new perspectives to the ongoing discussion of his work The focus of this book is the unknown George Grant namely the philosophic religious and artistic inspiration behind his well known public positions Here we discover the great modern thinkers who animated Grant and whose writings occupied him for much of his life
