

A man with dark hair, wearing a black tuxedo jacket, a white dress shirt, and a black bow tie, is looking directly at the camera with a serious expression. He is standing in a dimly lit room with a dark background and some foliage visible on the right. The lighting is dramatic, highlighting his face and the texture of his clothing.

Wages of Crime R.T. Naylor,2002-02-15 Outraged by recent encroachments on citizens rights that have been justified by claims that new and more restrictive laws will combat the ravages of international crime Naylor contends that no police campaign that fails to address the demand for illegal goods and services has ever succeeded He supports this claim with detailed and often entertaining accounts of past criminal operations and law enforcement s attempts to stop them Wages of Crime makes a persuasive case for the need to address the underlying economic and political factors that encourage criminal enterprises rather than relying on restrictive laws Gunrunner: The Mario Oliveira Story Mario Oliveira,Keith R. Knotek,2022-05-25 Gunrunner A true crime book centered on a real life Boston area detective hero Mario Oliveira who embarks on a series of interconnected gang crimes that leads to his own murder It s during death that he learns his most important lesson He s here to tell you about it Shot six times at point blank range Mario not only solved the big case he s about to get answers to life s nagging question what happens when we die Shot to bits they rush him into trauma with little hope he ll survive Mario hangs on by a thread as his life flashes before his eyes Then he is suddenly transported back to how

this whole mess started Mario follows the infamous Matt Kramer public enemy number one for supplying notorious gangs with untraceable handguns used in countless crimes and murders Mario's quest to close this case got him killed The savvy detective summons a street wise ex gang member Leon to be his new partner Unfortunately Leon happens to be an undocumented immigrant but that's not the crime Mario's tracking Instead the unlikely pair practically become best friends First Leon dismantles a Brazilian gang of thieves and now Mario scrambles to get Leon and his family protection visas Mario is back on the streets alone and flirts with death on many occasions as his undercover work stings a mass of illegal guns dozens of arrests and the big ticket items driving him But Mario will stop at nothing even take six bullets if it means solving the case and he'll prove it to you King of the Gunrunners James W. Miller, 2024-02-07 By the time he turned thirty at the end of the nineteenth century John D Hart thrived as the busiest importer of bananas on the East Coast A master of ships with a thunderous voice Hart aggressively carried tropical fruit to an insatiable market with little concern for notions of supply and demand But when an unexpected crisis hit the fruit business Hart was unprepared The financial Panic of 1893 doomed his strategy of bringing in limitless bananas Jobless consumers could not afford such luxuries Nearing bankruptcy Hart was approached by Emilio Nu ez a member of the Cuban Revolutionary Party a cadre of exiled conspirators in New York whose singular purpose was to liberate the Cuban island from four hundred years of Spanish rule Nu ez enlisted Hart as a filibuster to transport guns and ammunition to the Cuban rebels For nearly three years Hart became the most visible of a disparate group of mariners between New York and Key West who tormented Spanish authorities riled the US government and became heroes to an oppressed people fighting to be free In King of the Gunrunners How a Philadelphia Fruit Importer Inspired a Revolution and Provoked the Spanish American War author James W Miller reveals the untold story of a forgotten American whose adventures helped pave the way for the United States emergence as an international power With the Yellow Press trumpeting his exploits Hart's influence helped inflame the nation's mood and made war with Spain inevitable The quick US victory in what became known as the Spanish American War compelled Spain to abandon Cuba and cede sovereignty over Guam Puerto Rico and the Philippines to the United States which also annexed the independent state of Hawaii during the conflict This volume presents the story of Hart the defiant king of the Cuban gunrunners who prolonged a revolution provoked a war and left an indelible mark on history **The Art of Wealth** Baron Alexander Deschauer, 2016-02-25 Becoming rich or better yet wealthy requires a certain mind set Becoming wealthy is fairly straightforward theoretically In practice there are hurdles that most of us don't even see These are the barriers to entry that allow many in society to claim that opportunity exists for all of us but in reality are closed to most of us The first thing in overcoming these barriers is to be able to learn how to see the barriers Once you learn to see you will be able to overcome This book sets out in short stories and narratives the secrets to developing the mind set of the wealthy It will provide you with the tried and tested truths behind accumulating riches and wealth Commerce, Justice, Science, and Related
