David L. Sloan, Christopher Shultz, 2006 **Drive for Five** Christopher Price, 2017-09-05 There are certain moments that simply transcend sports They become larger than life and bigger than anyone ever thought possible leaping off the field the court or the diamond and into the annals of not only history but the very fabric of the American milieu We all just witnessed such a moment on February 5th 2017 when the New England Patriots battled back from the largest deficit in Super Bowl history to once again become world champions and secure Tom Brady's legacy as the greatest quarterback of all time

The Hangover Jonathon Shears, 2020-03-27 What is a hangover How does it feel to suffer from one What can hangovers tell us about the way attitudes to alcohol have developed over time In the humanities why have we neglected the subject of the hangover in our critical discussions of alcohol and intoxication In the first comprehensive study of the hangover in literature and culture Jonathon Shears sets out to answer each of these questions by exploring the representation of the morning after in a wide variety of texts ranging from the Renaissance to the present day The book looks at what examples of hangover literature from writers such as Ben Jonson Robert Burns Charles Dickens Kingsley Amis and A L Kennedy can add to our personal and cultural understanding of alcohol use It demonstrates that more than just a cluster of physical symptoms the hangover is a complex interplay of sensations and emotions with a fascinating cultural history **The Hangover Pack**

Christine Falvey, 1996 **A Love to Last** Kendra H. Slee, 2021-11-30 Can I be honest with you for a second he asked Isn't that what we're doing she said playfully I don't know very much about you and that's fine but ever since you started at Middleton there's been something about you that I've been drawn to And I don't want to be presumptuous but I think you might feel it too If you don't that's completely fine and I'm so sorry if this makes you uncomfortable but I wanted you to know that before Before what she asked breathlessly Before I asked if I could kiss you In an instant all the butterflies in her stomach were jolted awake Her hands and armpits instantly became clammy and her mouth went dry Would that be alright he asked Yes she whispered Jake leaned over the table and cupped her face with his right hand Once their lips met the butterflies went away and a calmness overtook her Jake kissed tenderly yet passionately as if it were the last kiss he would ever have When he began to pull away Madison grabbed his shirt and brought him back To say it was the best kiss she'd ever had would be a gross understatement and Madison knew right then and there that that was what love was supposed to feel like Kendra Slee is a secondary teacher in Southern Ontario While this is her debut novel her writing has been featured in

The Hangover Companion Michael O'Mara Books, 2006 We've been suffering hangovers for as long as anyone can remember anyone who was sober last night that is not anyone who's currently sipping Lucozade in a darkened room with a basin by their side They can't even remember how they got home So if we've known about hangovers for so long how come we've never figured out how to put a stop to them Well you might be surprised to hear that we have A great deal of research has gone into the mystery of the hangover People are out there every night researching themselves legless in bars pubs and clubs all over the country They try different combinations of drinks wine before beer then whisky beer before wine then whisky vodka before beer and then wine before whisky drinking standing up drinking sitting down eating before the drinking eating during the drinking eating after the drinking wine before sitting down vodka during the whisky and standing up eating in the beer the researcher's notes get a bit confused here The point is we know what causes hangovers the Devil He's trying to suck out your soul through your toilet and starts with everything you've had to eat in the last three days pituitary gland causing vasopressin inhibition dehydration and a toxic accumulation of acetaldehyde when the liver's production of glutathione is exhausted The scientists have all the answers and their ultimate solution to the hangover problem is don't drink But that's just crazy talk so maybe they're not so clever after all There are plenty of hangover cures from Prairie Oysters and Bloody Marys to burnt toast fried breakfasts and bananas but only a few of them do any good at all and some of them can actually do more harm than good banging yourself on the head with a dustbin lid for example or turning up for work Different things obviously will work better or worse for different people the trick is knowing what works best for you and Rough As A Badger's Arse gives a fair and unbiased assessment of all of the best hangover cures to guide you through the tough choices the world about the perils of the demon drink the odd drinking quote or ditty lots of hard facts to help you think your head straight and plenty of soft paper if your problem is mainly at the other end As good a pick me up
