The Hard Edge Of Genius:

Business Leadership and the Lessons from Sport H. Westerbeek, A. Smith, 2005-05-24 Sport represents a very intense and dynamic form of competition for individuals and for teams Many of the themes of business including leadership teamworking mentoring and coaching strategy innovation etc occur in sport in a very acute and focused way and will determine success or failure With the use of compelling international examples the authors show how sport provides crucial leadership lessons for business

Motor Racing at Thruxton in the 1980s Bruce Grant-Braham, 2012 One of the fastest motor racing circuits in the UK Thruxton is a supreme test of high speed skill especially where the art of slipstreaming is concerned Consequently it is both feared and revered This book makes full use of the author's unique collection of many previously unpublished colour photos to follow the evolution of UK motorsport at the venue through the 1980s

Senna Versus Prost Malcolm Folley, 2009-05-07 The definitive story of F1's most famous and deadly rivalries In the late eighties and early nineties Formula One was at its most explosive with thrilling races charismatic drivers nail biting climaxes and the most deadly rivalry ever witnessed in sport Two of Formula One's most honoured champions and iconic figures drove together for McLaren for two seasons and their acrimonious and hostile relationship extended even after one of them had left the team ALAIN PROST France's only F1 world champion the intelligent smooth driver with the epithet Le Professeur Ayrton SENNA the mercurial kid from a privileged background in Sao Paulo who would become the most intense and ruthless racing driver the world has ever seen It was a story that would have a tragic ending As the great rivals raced to victory their relationship deteriorated badly beginning with the breaking of a gentleman's agreement and public spats followed culminating in Prost accusing Senna of deliberately trying to ride him off the circuit and fearful that the Brazilian would get someone killed with his daring overtaking feats And the final sad act of this drama happened at the San Marino Grand prix at Imola in May 1994 when Senna was killed Featuring a rare interview with Prost and insight from Martin Brundle Damon Hill Sir Frank Williams Bernie Ecclestone Derek Warrick Johnny Herbert Gerhard Berger plus McLaren insiders and other F1 figures Malcolm Folley provides us with a breath taking account of one of the all time classic sporting rivalries

Ayrton Senna Christopher Hilton, 1990 A portrait of the 1988 world champion racing driver Ayrton Senna who is regarded as mysterious religious shy introverted and lonely It is seen through Senna's eyes and those he was close to along the way

Domestic Engineering

, 1913 **Telephony**, 1912 The Soft Edge Rich Karlgaard, 2014-03-24 What Does it Take to Get Ahead Now And Stay There High performance has always required shrewd strategy and superb execution These factors remain critical especially given today's unprecedented business climate But Rich Karlgaard Forbes publisher entrepreneur investor and board director takes a surprising turn and argues that there is now a third element that's required for competitive advantage It fosters innovation it accelerates strategy and execution and it cannot be copied or bought It is found in a perhaps surprising place your company's values Karlgaard examined a variety of enduring companies and found that they have one thing in common

all have leveraged their deepest values alongside strategy and execution allowing them to fuel growth as well as weather hard times Karlgaard shares these stories and identifies the five key variables that make up every organization's soft edge Trust Northwestern Mutual has built a 25 million dollar revenue juggernaut on trust the foundation of lasting success Learn how to create an environment that engenders trust and propels high performance Smarts In most technical fields your formal education quickly becomes out of date How do you keep up Learn how the Mayo Clinic Stanford University women's basketball team and others stay on top by relentlessly pursuing an advantage through smarts Teamwork Since collaboration and innovation are a must in the global economy effective teamwork is vital Learn how global giant FedEx stays focused and how nimble Nest Labs relies on lean teams with cognitive diversity Taste Clever product design and integration are proxies for intelligence because they make customers feel smart But taste goes further into deep emotional engagement Specialized Bicycles calls it the elusive spot between data truth and human truth How can you consistently make products or services that trigger these emotional touch points Story Companies that achieve lasting success have an enduring and emotionally appealing story What's your company's story How do you tell it your way Gain the ability to create a powerful narrative in a world where outsiders often exercise the louder voice *Michael Schumacher* Christopher Hilton, 1994 The author of this book a motorsport writer looks at Michael Schumacher who in 1994 has risen from relative obscurity to become the dominant force in Formula 1 **Domestic Engineering and the Journal of Mechanical Contracting**, 1913 The Dental Cosmos J. D. White, John Hugh McQuillen, George Jacob Ziegler, James William White, Edward Cameron Kirk, Lovick Pierce Anthony, 1897
