

A photograph of a dirt road winding through a forest. The trees on either side have autumn-colored foliage in shades of orange, yellow, and brown. The road leads towards a bright light at the end of the path, creating a strong perspective. The overall mood is serene and contemplative.

The Horizon Never Forgets Steven T. Moore,2025-03-18 James Baldwin author and civil rights activist stated that to be Black in America and relatively conscious is to be in a state of rage almost all of the time In this audacious debut poetry collection The Horizon Never Forgets Steven Moore offers us drops of honey in the tender moments we sometimes experience especially a mother s love But also drops of fire and rage when he writes about being Black when the world ignores the pain and refuses to address the ongoing struggle to live while bearing the weight of racism Readers feel the rage the burn the fury of the Black experience and the urgency for change but also the uplift and hope that still reside within love s possibilities
