Trade and Civilisation Kristian Kristiansen, Thomas Lindkvist, Janken Myrdal, 2018-07-05 This book provides the first global analysis of the relationship between trade and civilisation from the beginning of civilisation 3000 BC until the modern era 1600 AD Encompassing the various networks including the Silk Road the Indian Ocean trade Near Eastern family traders of the Bronze Age and the Medieval Hanseatic League it examines the role of the individual merchant the products of trade the role of the state and the technical conditions for land and sea transport that created diverging systems of trade and in the development of global trade networks Trade networks however were not durable The book focuses on the establishment and decline of great trading network systems and how they related to the expansion of civilisation and to different forms of social and economic exploitation Case studies focus on local

conditions as well as global networks until the sixteenth century when the whole globe was connected by trade Chaos, Complexity, and Leadership 2023 Şefika Şule Erçetin, Şuay Nilhan Açıkalın, Luís Tomé, 2024-08-19 The proceedings of the 8th International Symposium on Chaos Complexity and Leadership present various concepts of diverse research methodologies to explore chaos and complexity across different scientific fields of leadership Particular emphasis will be placed on investigating non linearity to stimulate discussion on novel approaches and perspectives regarding chaos complexity and leadership The book delves into recent developments from diverse fields employing chaos and complexity theory as analytical tools Readers will find insights into important contemporary events regardless of the various perspectives across social political economic or scientific domains It integrates numerous aspects and challenges regarding the impact of chaos and complexity on our world utilizing nonlinear dynamics to suggest transformative policies It aims to investigate and predict future paths through an interdisciplinary approach Given the current societal and economic turbulence leadership across all sectors necessitates reassessment Consequently this book primarily targets individuals interested in nonlinear science and leadership However its content extends its appeal to a broader audience due to its application of chaos and complexity to other disciplines The primary audience comprises academics professionals and decision makers seeking to implement new approaches and methodologies in practice **The History of the Epic** A. Johns-Putra, 2006-07-11 This book presents a history of the epic from the classical age to the present day It deals not just with the well know epics of antiquity and the Renaissance but also pursues developments in more recent literature and film It offers an exploration of the changes that have taken place in the genre from Homer to Hollywood The Classical Tradition Anthony Grafton, Glenn W. Most, Salvatore Settis, 2010-10-25 A vast cabinet of curiosities Stephen Greenblatt Eclectic rather than exhaustive less an encyclopedia than a buffet Frederic Raphael Literary Review How do we get from the polis to the police Or from Odysseus s sirens to those of an ambulance The legacy of ancient Greece and Rome is all around us imitated resisted reworked and misunderstood In this beautifully illustrated and encyclopedic compendium a team of leading scholars investigates the afterlife of this rich heritage in the fields of literature philosophy art architecture history politics religion and science From Academy to Zoology Aristotle and the Argonauts to Pegasus and Persia The Classical Tradition looks at facts and adages people places and ideas to reveal how the Classical tradition has shaped human endeavors from government to medicine drama to urban planning legal theory to popular culture At once authoritative and accessible learned and entertaining it illuminates the vitality of these enduring influences *The Ritual Theatre of Theodoros Terzopoulos* Freddy Decreus, 2019-03-13 The Ritual Theatre of Theodoros Terzopoulos outlines the story of the Athenian based Attis Theatre and the way its founder and director Theodoros Terzopoulos introduced bio energetic presences of the body on the stage in an attempt to redefine and reappraise what it means today not only to have a body but to fully be a body Terzopoulos created a very specific attitude towards life and death and it is this broad perspective on energy and consciousness that makes his

work so appealing both to a general public and to students of arts theatre and drama Freddy Decreus study charts the career of Greece s most acclaimed theatre director and provides a spiritual and philosophic answer in times where former Western meta narratives have failed *Epic of the Earth* Edith Hall,2025-03-18 An urgent study of Homer s Iliad exposing the beginnings of the ecological disaster we now face and facilitating our understanding of its history The roots of today s environmental catastrophe run deep into humanity s past Through this unprecedented reading of Homer s Iliad the award winning classicist Edith Hall examines how this foundational text both documents the environmental practices of the ancient Greeks and betrays an awareness of the dangers posed by the destruction of the natural landscape Underlying Homer s account of brutal military operations alliances and cataclysmic struggle is a palpable understanding that the direction in which humanity was headed could create a world that was uninhabitable Hall provides unparalleled insight into the ancient origins of climate change and argues that the Iliad exposes the deepest contradictions behind the environmental problems we have created Indeed it is possible that some of the violence done to the environment throughout history has been authorized if not exacerbated by the celebration of the exploitation of nature in Homer s poem Drawing compelling analogies to contemporary poetry literature and film Hall demonstrates that the Iliad as a priceless document of the mindset of early humans can help us understand the long history of ecological degradation and inspire activism to rescue our planet from disaster Conversations on Canaanite and Biblical Themes Rebecca S. Watson,Adrian H. W. Curtis,2022-08-01 Arguments over the relationship between Canaanite and Israelite religion often derive from fundamental differences in presupposition methodology and definition yet debate typically focuses in on details and encourages polarization between opposing views inhibiting progress This volume seeks to initiate a cultural change in scholarly practice by setting up dialogues between pairs of experts in the field who hold contrasting views Each pair discusses a clearly defined issue through the lens of a particular biblical passage responding to each other s arguments and offering their reflections on the process Topics range from the apparent application of chaos and divine warrior symbolism to Yahweh in Habakkuk 3 the evidence for monotheism in pre Exilic Judah in 2 Kings 22 23 and the possible presence of chaos or creatio ex nihilo in Genesis 1 and Psalm 74 This approach encourages the recognition of points of agreement as well as differences and exposes some of the underlying issues that inhibit consensus In doing so it consolidates much that has been achieved in the past offers fresh ideas and perspective and through intense debate subjects new ideas to thorough critique and suggests avenues for further research
