The Hidden Life Of The Prophet Muhammad:

The Hidden Life of the Prophet Muhammad A. A. Ahmed, 2006-02 It is very rare to find a book in the academic circles and public libraries that speaks about Muhammad of history Most of the books today tell you about Muhammad of faith the founder of Islam In this book I am presenting Muhammad of history his life wars and teachings My accounts are based on the Mothers of the Islamic Books 1 the writings of the Egyptian Muslim liberal thinker Sayyid Mahmoud Al Qimni and the views of some modern Muslim and non Muslim writers What is written in the Mothers of the Islamic Books is called Al Maskoot Anho which means information that people Muslims and non Muslims are not supposed to hear and know Very few ulama or Muslim Scholars of al Azhar al Sharif University read these accounts and hardly speak about them even to one another However modern Egyptian Muslim writers such as Sayyid Mahmoud al Qimni Faraj Foda and Nasr Hamid Abu Zayd endangered their lives by breaking the seals of these books and revealing to the public information about Muhammad that they have never heard before For this reason Faraj Foda was shot dead in front of his office in Cairo Nasr Hamid Abu Zayd fled out of Egypt to escape the death penalty and Sayyid Mahmoud al Qimni was forced to recant all his writings Unfortunately before the outside world would get chance to read their works these writers were silenced through murder terrorization and death threat and their writings are banned in the Muslim world Besides that none of their books have been translated into English or any other western languages In this book I am presenting the reader with the most important contributions of Dr Sayyid Mahmoud al Qimni Accordingly although many books are written about the life and teachings of the Prophet Muhammad however this book is unique because it reveals things you have never heard before and you are not likely to get them in any other biographies of Muhammad No matter what religious background you come from this book is going to change your understanding of Islam and give you better insight into our world today It is a book with no disguises that takes you deep into the life teachings and wars of the Prophet Muhammad The Author Dr A A Ahmed October 21 2005 1 The Mothers of the Islamic Books are books approved by Al Azhar al Sharif University in Cairo Egypt Al Azhar University is the oldest largest and most prestigious religious university in the Muslim world It controls the religious life of the Sunni Muslims around the world 85% of the Muslims in the World are Sunni Muslims **An Introduction to the Hidden**

Treasures of Islam Syed Hasanat Ahmad, 2010-06-30 Comprising introductions and brief summaries of each of the 91 books written by the Founder of the Ahmadiyya Muslim Community Hazrat Mirza Ghulam Ahmad the Promised Messiah and Imam Mahdi may peace be upon him *The Hidden Revelation* Morson Livingston, 2015-07-10 This book The Hidden Revelation started out because of my search for knowledge and my in depth studies of various religions I realized that we are more alike than we are different through that search I realized that the major religions of the world have more similarities than differences yet we think we are so different from each other Various parts of the world practices various religions and spiritual teachings and at the core the very message some traditions and some practices are one and the same Then why do

we fight in the name of religion Why do we kill in the name of religion Why do we look down at some look up at some and don't look at some at all Why do we discriminate and think we are better The basis for this book though not all encompassing seeks to highlight how the undertone of religions in the world are the same How at the core we are all seeking the same things in life which is peace love harmony contentment happiness and a connection to a power bigger than and greater than anyone of us This book shows how no matter what religion we belong too yes there are differences but the similarities far outweighs them So the question arises again Why do we fight why do we hate If we are all so alike we should be living in harmony we should be at peace we should be happy the beauty is we can all have that We just need to put our minor differences aside and connect at a heart level at a spiritual level and see God in each other Read the book and you would journey into a world where it is somewhat of a Utopia but we need that in order to see the big picture and to understand love in the Universe The settings used to describe various religions and practices also takes you on a travel and you get to picture parts of the world you may have on your bucket list Even some world class travelers who have visited some of these places might also be able to see it from another perspective If anything at all you would find at least one nugget to help improve your life and your perspective Spread love and unity
