The Hunger For Significance:

The Hunger for Significance R. C. Sproul, 2001 Explores the human cry for dignity significance love and respect Touches the aching void in the home school church workplace hospital and prison Foreword by Charles Colson *The Hunger for Significance* Robert Charles Sproul, 2020 Formerly published as *In Search of Dignity* Regal Books 1983 **The Hunger for Significance** R. C. Sproul, 1992-06-04 **Leadership in the Way of the Cross** Sherwood G. Lingenfelter, 2018-05-16 This book is for people who are serious about leading people men and women who have accepted big challenges who have passed through the fire of tough decisions who have acknowledged they at times have failed and have recovered for the next challenge but do not want to repeat the past The thesis of the book is that the journey of leadership takes us deep into the dangers of both authority and risk and our attempts to avoid one or the other of these dangers will precipitate crisis As a leader who desires to flourish it is critical to ask is anyone following And are we following Jesus as we invite others to follow us In this book I invite you into my journey and the journeys of other ministry leaders through the deep waters of crisis and the challenge of learning to lead so that people are following This process begins with self discovery disclosing default habits fears and hungers followed by trusting the Holy Spirit to work God's transformation within us and then to engaging the hard work of mobilizing his body the people of God so that every part is doing his work **Zacharias 2 in 1-Jesus Among Other Gods & Deliver Us from Evil** Ravi Zacharias, 2009-09-10 Jesus Among Other Gods In his most important work to date apologetics scholar and popular speaker Ravi Zacharias shows how the blueprint for life and death itself is found in a true understanding of Jesus With a simple yet penetrating style Zacharias uses rich illustrations to celebrate the power of Jesus Christ to transform lives Jesus Among Other Gods contrasts the truth of Jesus with founders of Islam Hinduism and Buddhism strengthening believers and compelling them to share their faith with our post modern world Deliver Us From Evil With clarity and insight Zacharias shows how many of today's most popular ideas thoughts and beliefs are vandalizing our culture He shows how it is there in the depths of our innermost being That the work of God changes what we want to do This is not an ethical system calling us to civility This is the transforming work of the grace of God who calls us His children He shows how Secularization has led us to a loss of shame generating evil even against those we love Pluralization has led us to a loss of reason generating evil toward those we choose to hate Privatization has led us to loss of meaning generating evil against ourselves The Social Significance of Telematics Lars Qvortrup, 1984-01-01 The assumption underlying this book is that we are facing a societal transformation a silent revolution in fact with consequences at least as far reaching as those of the Industrial Revolution The author of this book wants to intervene in the current discussion about this revolution a discussion which is normally colored by a resigned determinism maintaining that the transformation will come about all by itself as an automatic consequence of the development of technology As opposed to this the author wants to politicize the debate by insisting on the fact that this silent revolution is not inextricably tied to the automatically whirring computer discs

of technological development but is dependent on a number of political choices

Zacharias, 2002-02-06 In a world with so many religions why Jesus We are living in a time when you can believe anything as long as you do not claim it to be true In the name of tolerance our postmodern culture embraces everything from Eastern mysticism to New Age spirituality But as Ravi Zacharias points out such unquestioning acceptance of all things spiritual is absurd All religions plainly and simply cannot be true Jesus Among Other Gods provides the answers to the most fundamental claims about Christianity such as Aren't all religions fundamentally the same Was Jesus who He claimed to be Can one study the life of Christ and demonstrate conclusively that He was and is the way the truth and the life In each chapter Zacharias considers a unique claim that Jesus made and then contrasts the truth of Jesus with the founders of Islam Hinduism and Buddhism with compelling insight and passionate conviction In addition to an impressive breadth of reading and study he shares his personal journey from despair and meaninglessness to his discovery that Jesus is who He said He is In Jesus Among Other Gods Ravi Zacharias demonstrates that he is one of the most intellectually gifted as well as spiritually sensitive writers of today's leading apologists for the Christian faith Zacharias brings alive the unique power of the claims of Jesus about himself and the utter relevance of his message today for the human condition David Aikman author of Great Souls
