The Immaculate Erection:

Immaculate Erection Robert Siqueland, 2003-07-02 These were the times that raked leaves collected in the street gutters where they burned and smoldered through lazy October days Everybody loved the smell and everybody liked Ike The times of Pall Malls and Luckys when guys fought with their fists and handshakes were sacred Families had two goals add to savings accounts every month and pay off the home mortgage There were lots of Savings and Loans and corner grocery stores where kids bought Push Ups and Dreamsicles A time of innocence rides and family breakfasts after Mass on Quinquagesima Sunday while the haunting refrains of Gregorian chants echoed in the heads of well dressed and well mannered children It was a time like all times that inexorably trudges through the shine to the dull and to the rust until it is filed into the pages of history and the temporary alcoves of memory

The Haunted Refrigerator Dave Veith, 2020-02-28 What happened Unca Dave Young people today deserve an answer To restate our hypothesis on November 4 1953 Theodore F Schism climbed into his mother s defrosting refrigerator and shut the door He was 9 years old The first book of his story was appropriately called In Now comes the middle the unloved child and yet its pages introduce the villain of the piece a role which by definition is far more interesting than that of any so called hero As for getting out Young Theo might succeed or maybe not Looked at in that way his is the only hope we have So start with In or don t and take your chances Bifurcated Proceedings are just that a lucky break for all of us so how bad can it be And if you need fortification you can always Hoist a Few Cold Ones Book Three American Architect and the Architectural Review , 1902 Horace's Odes and Carmen

Saeculare Simon Preece, 2021-05-11 At a time of extraordinary political upheaval Horace wrote poetry and proudly boasted that his Odes were bringing to Rome the metres and subject matter of the Greek lyric poets who had flourished some six centuries earlier His achievement ensured that the Odes remained unique in Latin literature and they have continued to be read and loved for two thousand years Horace s metrical diversity is fundamental to his artistry so these translations recreate the original thirteen metres in English They are written in elegant verse which is always alert to the poems structure register rhetoric sound and syntax Special attention is given to the nuanced meanings of words in their context and to the implications of Horace s often highly unusual word order no Roman ever spoke such Latin except when reading the Odes aloud The translations are supported by a wide ranging introduction which provides biographical historical and literary context and shows several ways in which the Odes can respond to literary analysis The extensive notes constitute a commentary on all the poems drawing the reader from the translations to the facing text of Horace s Latin and offering brief discussions of textual literary linguistic metrical historical geographical mythological and religious issues Students and general readers will find the tools here to help them develop their own personal response to Horace s exceptional poetry while teachers will welcome the opportunity to compare poems across all four books of the Odes in equal detail **Vows** Peter Manseau, 2006-10-17 In this multi generational tale of a family s unshakeable faith the author tells his parents

courageous story as a priest and a former nun who wed and deftly weaves how their decision has affected his own spiritual journey of photos
