The Incomparable Rex A Memoir Of Rex Harrison In The 1980s:

The Incomparable Rex Patrick Garland,1998 *The Incomparable Rex* Patrick Garland,2000 **The Incomparable Rex** Patrick Garland,2000 An intimate entertainingly uncensored biography of the theater s perfect gentleman and the backstage cad **The Incomparable Rex** Patrick Garland,2019-02-04 Rex Harrison s fifth but not last wife Elizabeth said of him I was very fond of Rex before we were married and even more fond of him after we were married it was the bit in between that was so difficult *The Incomparable Rex* is an affectionate and witty memoir of one of Britain s great theatrical and cinematic talents Rex Harrison When he died in 1990 the English speaking world lost one of its most eloquent and fastidious high comedians Patrick Garland worked with Harrison on the revival of *My Fair Lady* and came to know him well and despite Rex s reputation as something of an unholy terror became extremely fond of him Rex Harrison was famed for his urbane style his mordant wit his numerous wives and his truly appalling temper quite apart from his legendary and much loved performance as Henry Higgins on both stage and screen *The Incomparable Rex* is a delightful and frequently laugh out loud blend of anecdote pen portraits and personal reminiscence which gives a vivid flavour of this complex man and the pressures of working with him and a large cast and of reviving a great musical on the American stage This edition features a new introduction from actor and writer Simon Callow A scrupulously fair and most diverting memoir *Daily Telegraph* **Yul Brynner** Michelangelo Capua,2014-06-26 Known as the bald cowboy in *The Magnificent Seven* and the sexy charismatic male lead in *The King and I* Yul Brynner was a Hollywood paragon of masculinity Beyond his distinctive appearance and distinguished acting career was a life of intrigue and concocted tales surrounding his youth Born Youl Bryner in Russia he played gypsy guitar and worked as a trapeze clown until a severe injury motivated him to pursue his interest in theater This biography takes readers through Brynner s formative years in Russia France and China and describes his journey from sweeping stages in Parisian theaters to a versatile career in theater television and film reaching a stardom that began and ended with the classic Rodgers and Hammerstein musical *The King and I* With accounts of his personal and professional successes and failures the book includes his four marriages his numerous and notorious affairs with such stars as Judy Garland Joan Crawford and Ingrid Bergman and his 1985 death from lung cancer A filmography details his movies and plays and appendices outline his work in documentaries music and soundtracks radio programs and television **Olivier** Philip Ziegler,2014-06-03 A finalist for the Sheridan Morley Prize that has been called probably the best Olivier book for general readers *Kirkus Reviews* Philip Ziegler s *Olivier* provides an incredibly accessible and comprehensive portrait of this Hollywood superstar Oscar winning director and one who is considered the greatest stage actor of the twentieth century The era abounded in great actors Gielgud Richardson Guinness Burton O Toole but none could challenge Laurence Olivier s range and power By the 1940s he had achieved international stardom His affair with Vivien Leigh led to a marriage as glamorous and as tragic as any in Hollywood history He was as accomplished a director as he was a leading man his three

Shakespearian adaptations are among the most memorable ever filmed And yet at the height of his fame he accepted what was no more than an administrator's wage to become the founding Director of the National Theatre In 2013 the theatre celebrates its fiftieth anniversary without Olivier's leadership it would never have achieved the status that it enjoys today Off stage Olivier was the most extravagant of characters generous yet almost insanely jealous of those few contemporaries whom he deemed to be his rivals charming but with a ferocious temper With access to more than fifty hours of candid unpublished interviews Ziegler ensures that Olivier's true character at its most undisguised shines through as never before

Lerner and Loewe's My Fair Lady Keith Garebian, 2016-09-13 An Englishman's way of speaking absolutely classifies him The moment he talks he makes some other Englishman despise him Henry George Bernard Shaw famously refused to permit any play of his to be degraded into an operetta or set to any music except its own Allowing his beloved Pygmalion to be supplanted by a comic opera was therefore unthinkable yet Lerner and Loewe transformed it into My Fair Lady 1956 a musical that was to delight audiences and critics alike By famously reversing Shaw's original ending the show even dared to establish a cunningly romantic ending Keith Garebian delves into the libretto for a fresh take and explores biographies of the show's principal artists to discover how their roles intersected with real life Rex Harrison was an alpha male onstage and off Julie Andrews struggled with her chaste diva image and the direction of the sexually ambiguous Moss Hart contributed to the musical's sexual coding

George Cukor's People Joseph McBride, 2024-12-17 The director of classic films such as Sylvia Scarlett The Philadelphia Story Gaslight Adam's Rib A Star Is Born and My Fair Lady George Cukor is widely admired but often misunderstood Reductively stereotyped in his time as a woman's director a thinly veiled disparaging code for gay he brilliantly directed a wide range of iconic actors and actresses including Cary Grant Greta Garbo Spencer Tracy Joan Crawford Marilyn Monroe and Maggie Smith As Katharine Hepburn the star of ten Cukor films told the director All the people in your pictures are as goddamned good as they can possibly be and that's your stamp In this groundbreaking lavishly illustrated critical study Joseph McBride provides insightful and revealing essayistic portraits of Cukor's actors in their most memorable roles The queer filmmaker gravitated to socially adventurous subversively rule breaking audacious dreamers who are often sexually transgressive and gender fluid in ways that seem strikingly modern today McBride shows that Cukor's seemingly self-effacing body of work is characterized by a discreet way of channeling his feelings through his actors He expertly cajoled actors usually gently but sometimes with bracing harshness to delve deeply into emotional areas they tended to keep safely hidden Cukor's wry wit his keen sense of psychological and social observation his charm and irony and his toughness and resilience kept him active for more than five decades in Hollywood George Cukor's People gives him the in depth multifaceted examination his rich achievement deserves
