Weinbaum** John Russell Fearn, 2013-05-06 SF Author Stanley G Weinbaum died from cancer at 33 in December 1935 Short though his career was his scientific imagination smooth characterization and humor completely revolutionized the field and profoundly influenced his contemporaries Among his many imitators was English writer John Russell Fearn Although Fearn s own distinctive work was very popular he wanted to increase his number of acceptances by writing under pseudonyms Thornton Ayre and Polton Cross with a change of style imitating Weinbaum These exciting and highly entertaining pastiches first published in such magazines as *Astounding Stories* and *Thrilling Wonder Stories* are here collected for the very first time in book form with fascinating historical background notes The first of two must have volumes for collectors the second being *VALLEY OF PRETENDERS* Great adventure reading from the classic period of the SF pulps *The Amethyst City* John Russell Fearn, 2013-05-01 The human occupied planets in

the Solar System Earth and Mars are suddenly threatened with a space borne plague that rusts and destroys all metals If the disease continues unchecked all of civilization is threatened Behind this insidious menace is Sefner Quorne the sinister master scientist of Atlantis Quorne had earlier enslaved the humans on Earth until he was deposed by the Golden Amazon and Abna the real Lord of Atlantis But now with Abna dead and the Amazon mortally wounded on one of the moons of Jupiter nothing can halt Quorne s plans until a lone space traveller abruptly intervenes Viona a beautiful young woman whose origins are shrouded in mystery is somehow connected to the mysterious Amethyst City of Saturn a place that cannot possibly exist

Volume Four in this exciting continuing saga of Earth and space *The Red Insects* John Russell Fearn,2015-03-25 Nick Hansley and his young wife and father in law soon find that The Cedars the isolated country house Ena has inherited has more than just a sinister appearance it radiates a positively evil aura Soon after moving in they are visited by a strange figure of a man Dr Lexton their nearest neighbour who tries to persuade them to sell the house to him But who is Dr Lexton and what was the nature of the secret experiment that Ena s deceased uncle entomologist Cyrus Odder had carried out at the house It is not long before there is a mysterious death in the house and then death spreads its net across the countryside and the entire world *Pattern of Murder* John Russell Fearn,2012-07-26 For cinema projectionist Sid Elbridge it seems that things can t get much worse First circumstantial evidence has made him the prime suspect in the police investigation of a robbery at the cinema where he works Secondly his fianc e Vera has been horribly killed in the same theatre victim of a falling light fixture Then he discovers strange intricate patterns traced in the dust on the wooden frame of a still case There s something very wrong about this accident he now realizes and begins investigating what actually happened Slowly he realizes that a ruthless murderer is lurking in the shadows and only Sid can uncover the PATTERN OF MURDER Another great mystery story by a British master of intricate plot twists **The Genial Dinosaur** John Russell Fearn,2013-01-17 Clifford Brooks and his wife Joan believe that Herbert the frisky dinosaur who d saved their lives in A THING OF THE PAST has been lost forever in the Earth s underworld But to their amazement he returns to the surface of the Earth and immediately raises once again all of the complicated problems attendant upon trying to house a fearsome 80 ton prehistoric beast in the midst of modern society He s eventually condemned to death as a menace to the community but somehow he or his owners always managed to circumvent the final sentence Which is just as well since it appears that Herbert s appearance is almost providential When aliens from another star arrive to Earth bent on denuding the planet of one of its natural resources only Herbert can save the day Another delightful SF adventure from the pulp paperback era *One Remained Seated: A Classic Crime Novel* John Russell Fearn,2013-03-09 Maria Black M A Principal of Roseway College for Young Ladies does not expect to come face to face with murder in her favorite cinema when a stranger seated in Number 11 on Row A is found to be dead shot through the head with a copper bullet The baffling crime enables her to take on her role of detective and become once again Black Maria the tireless crime solver Determined to get to the root of the mystery she

works side by side with the stolid Inspector Morgan local police chief Together they follow a tangled trail that takes them behind the scenes of a cinema examining the lives of hardworking folk who strive to maintain the entertainment industry and eventually leads them into the recesses of a ruthless killer s dark mind Another riveting classic British mystery torn from the pages of the pulps **Black Maria Book Three** **Voice of the Conqueror** John Russell Fearn,2013-01-17 Albert Simpkins a mild mannered theater projectionist dreams of the inventions that that he can create and when he finally has an opportunity to realize his vision he sets himself up as the Voice of the Conqueror a supposed alien lifeform in orbit around the Earth whose sole intent is to rid the world of weapons of mass destruction But even the best imagined notions sometimes go awry and when several individuals including one of Albert s daughters are killed under mysterious circumstances he s arrested and charged with murder Simpkins knows that he isn t responsible for the deaths but how can he prove the impossible Unless the unthinkable is actually true A marvelous SF puzzler from the golden era of the pulp magazines **The Best of John Russell Fearn: The man who stopped the dust and other stories** Philip Harbottle,2001-03-01 Eight classic stories from science fiction s golden age selected from Amazing Stories Astounding Stories Science Fiction Thrilling Wonder Stories and Weird Tales **Legacy from Sirius** John Russell Fearn,2013-01-17 When a young scientist discovers how to foreshorten space by using higher dimensions it opens up the possibilities for almost instantaneous interstellar travel initially using unmanned probes The first probe returns with stellar gas samples from a double star system a larger yellow star with a dwarf star companion Both samples are isolated from the outside world as a precaution and stored together in a scientific laboratory pending detailed analysis But when the sealed vault is opened something uncanny happens The container that contains gas from the dwarf star has burst apart A viscid crawling substance is flowing out of the smashed remains appearing to multiply on itself as it moves In some blind terrifying way it seems alive and it s spreading A classic SF tale drawn from the pages of the 1950s paperback pulps **Heterocosms** Brian Stableford,2007-01-01 This new collection of critical essays on science fiction and fantasy literature and media features the following pieces The Last Chocolate Bar and the Majesty of Truth Reflections on the Concept of Hardness in Science Fiction How Should a Science Fiction Story End The Third Generation of Genre Science Fiction Deus ex Machina or How to Achieve a Perfect Science Fictional Climax Biotechnology and Utopia Far Futures How Should a Science Fiction Story Begin and The Discovery of Secondary Worlds Notes on the Aesthetics and Methodology of Heterocosmic Creativity Brian Stableford is the bestselling writer of 50 books and hundreds of essays including science fiction fantasy literary criticism and popular nonfiction He lives and works in Reading England I O Evans Studies In the Philosophy and Criticism of Literature No 39 **The Stuff of Science Fiction** Gary Westfahl,2022-10-07 While students and general readers typically cannot relate to esoteric definitions of science fiction they readily understand the genre as a literature that characteristically deals with subjects such as new inventions space robot and aliens This book looks at science fiction in precisely this manner with twenty one chapters that each deal with a

subject that is repeatedly addressed in science fiction of recent centuries Based on a packet of original essays that the author assembled for his classes the book could serve as a supplemental textbook in science fiction classes but also contains material of interest to science fiction scholars and others devoted to the genre In some cases chapters offer thorough surveys of numerous works involving certain subjects such as imagined vehicles journeys beneath the Earth and undersea adventures discovering intriguing patterns in the ways that various writers developed their ideas When comprehensive coverage of ubiquitous topics such as robots aliens and the planet Mars is impossible chapters focus on major themes referencing selected texts A conclusion discusses other science fiction subjects that were omitted for various reasons and a bibliography lists additional resources for the study of science fiction in general and the topics of each chapter Gothic Grotesques Brian Stableford,2009-03-01 Ten essays on horror fiction Gothic rock music science fiction and fantasy by a master critic and fiction writer Complete with index *Rule of the Brains* John Russell Fearn,2012-07-26 This volume collects four classic SF tales from the pulp era THE RULE OF THE BRAINS After many years spent in wars and struggle mankind had achieved a perfect civilization But this Utopia was going directly against the adaptive strain Nature had developed In earlier times the human body had been keyed to respond to every emergency Now it was trying to find a new form of excitation in order to maintain its equilibrium was seeking to tear down that perfect structure So mankind s rulers built the Arbiter an artificial intelligence created from the brains of twelve men and women who had sacrificed their lives for the greater good The pooled intelligence of the Arbiter s twelve artificial brains would work in unison to provide a common answer to be the impartial judge of humanity s future actions Such was the theory but the Rule of the Brains threatened to destroy humanity itself

The Philosophy of Utopia Barbara Goodwin,2012-12-06 This collection addresses the important function of utopianism in social and political philosophy and includes debate on what its future role will be in a period dominated by dystopian nightmare scenarios Valley of Pretenders John Russell Fearn,2013-07-29 Science fiction author Stanley G Weinbaum died from cancer at 33 in December 1935 Short though his career was his scientific imagination smooth characterizations and pervasive humor completely revolutionized the field and profoundly influenced his contemporaries Among his many imitators was English writer John Russell Fearn Although his own distinctive work was very popular in the SF magazines of the time the ambitious Fearn wanted to increase his number of acceptances by writing under pseudonyms in the style of Weinbaum In the late 1930s the American SF magazine market boomed and all of Fearn s Weinbaum pastiches found billets These intriguing stories are here identified and collected for the first time with fascinating background notes This is the second volume of two must have collections the first of which was published as *World Without Chance* Great science fiction adventure reading from the golden era of the pulps Moon Magic Elizabeth Rutland,2013-08-05 When Greta gives her love to Lord Richard Denton she believes that she will soon be his wife Too late she learns that she is just one of many of his casual dalliances but Greta unlike Richard s wife or his other mistresses bears him a child a potential male heir to the title if

he can be legitimized Richard's selfish wife Lady Nancy has denied him any children putting his title in jeopardy When Richard learns that Greta has had his son the nobleman tricks the girl into parting with her child giving it up for adoption Then Richard forces Nancy to present the boy to the world as their own true child and heir Greta discovers the deception at a time when she has fallen in love with Richard's doctor friend John Spencer But now it seems to her that John was a party to the wicked conspiracy to deprive her of her child a tragedy of errors that moves her through months of bleak despair to a dreadful climax along the Italian coast A heart wrenching and warming story of sacrifice and love at its very best
