

EXTERNAL VS. INTERNAL CONSULTANTS: WHICH ONE TO CHOOSE?

STEP 1: Identify your goals.

Do you want to boost your sales in the next year or do you want to optimize the work process between your departments? Make sure your consultant has evidence-proved achievements in that field.

STEP 2: Draw up for consulting activities.

It will be cost-effective if you could define the scope of work for your consultant in detail. So that you do not waste time on nonsense tasks.

STEP 3: Find consultants from reliable sources.

If you choose an internal consultant, perhaps it is a good idea to propose an excellent specialist inside your company. External consultants are available with more options, but you should come to trustworthy channels like **Consultport**.
