Teachings of Silver Birch Silver Birch (Spirit),1998 **TEACHINGS OF SILVER BIRCH** Silver Birch,2013-07-30 Yes it is necessary to keep on spreading the teachings of Spiritualism even in Italy Throughout the centuries Spiritualism has always been hindered yet with different definitions from the one we use today it is the oldest movement known in the world it is always the same force of the Spirit that is in operation The philosophy of teachings like the ones you will find in this book reveals a true knowledge of the concept of God one that does not need intermediaries like churches or theology It reveals the bond of mediumship with God it brings back to us the instruments we need to reason on religiosity The demonstration mediumship gives us that life is eternal that the spirit and the soul are immortal has the purpose of bringing us back to the authentic knowledge of God as Jesus already did But Jesus Christ s teaching has been lost in many of its aspects by churches and by theology themselves The teachings of Spiritualism lead us to understand why each form of mediumship is a sacred gift at God s service always whose purpose is not only to prove us that life is eternal but also to make us aware that everything is in communion with God we are all part of the infinite Spirit of God The book is available with English text and Italian translation [Silver Birch Companion](#) Silver Birch (Spirit),Tony Ortzen,1999-12-01 *A Voice in the Wilderness* Silver Birch (Spirit),Tony Ortzen,1986 *Philosophy of Silver Birch* Silver Birch (Spirit),Maurice Barbanell,1969 [Silver Birch: the Spirit Speaks](#) Silver Birch (Spirit),Tony Ortzen,1998-06-01 **Guidance from Silver Birch** Silver Birch,1966 **Spirit Speaks** Michael Mayo,2022-12-08 Discover How and Why Evidential Mediumship Works Join world renowned medium Michael Mayo on a step by step journey through the mechanics of spirit communication where you will learn to sense the subtle energy around you and promote healing in yourself and others With Michael s practical approach to evidence based mediumship you can build a reliable connection to the spirit world and develop the authentic abilities that have always been within you Covering everything you need to cultivate effective mediumship skills Spirit Speaks features lessons in developing a relationship with spirit guides recognizing spirit people by their essence finding quality evidence during a reading and troubleshooting problems that may arise You will also explore the history of mediumship ponder ethical considerations dispel common myths and gain a deeper understanding of grief This book helps you connect with who you truly are and live more meaningfully **Handbook to the Afterlife** Pamela Rae Heath,Jon Klimo,2011-07-05 Two seasoned experts with decades of experience working with channeled material describe the various stages of life after death Just as life itself has different stages of growth and development so does the afterlife In this useful handbook authors Pamela Rae and Jon Klimo demonstrate how dying and rebirth are much like life continuous processes Beginning with the moment of death itself progressing through different transitional stages and ending with the return of spirits to the physical plane they define the purposes and pitfalls of each stage They look at the kinds of adjustment problems that occur in each phase and how spirits can be helped to move forward Questions of pain and emotional state at the time of death karma and reincarnation are

sensitively addressed The book includes practical techniques for opening communication with those who have passed on to the other side While of interest to anyone seeking a general overview of the subject Handbook to the Afterlife is particularly useful for those dealing with spirits who have not moved on such as ghosts *Redefining Shamanisms* David Gordon Wilson, 2013-01-31 Spiritualism and mediumship are often regarded as the product of lingering superstition in the Victorian era and as having limited relevance in modern Anglo American society Scholarship to date which has considered Spiritualism as a distinct religious tradition has focussed on analysing the phenomenon in terms of spirit possession only This volume analyses the development of shamanism communication with the spiritual world as a concept within North American English speaking scholarship with particular focus on Mircea Eliade s influential cross cultural presentation of shamanism By re examining the work of Sergei Shirokogoroff one of Eliade s principal sources the traditional Evenki shamanic apprenticeship is compared and identified with the new Spiritualist apprenticeship The author demonstrates that Spiritualism is best understood as a traditional shamanism as distinct from contemporary appropriations or neo shamanisms He argues that shamanism is the outcome of an apprenticeship in the management of psychic experiences and which follows the same pattern as that of the apprentice medium In doing so the author offers fresh insights into the mechanisms that are key to sustaining mediumship as a social institution
