*The Distorters of History: Unexpected Changes in the Media and the Motion Picture Industry with Movies Forever Expanded-Updated Edition* Robert D. Ronson, 2013-06-20 If some authorities say the political history is Ronson's interpretation then ask them why the facts are found in the World Almanac Controversial issues in politics and greed dominate our society with power struggles for change My book tries to show how past mistakes lead up to how our system is working now but also discusses what I think are enjoyable films that adequately entertain the average person looking for temporary escapism Most critics or journalists analyze evaluate and review films in terms of production values or political reasons I simply buy a ticket and walk in as a member of the audience After the movie asking myself questions how well I liked it is what I pass on to the viewer Picture Composition Peter Ward, 2002-11-12 Behind each shot there lies an idea or purpose When setting up a shot the camera operator can employ a range of visual techniques that will clearly communicate the idea to an audience Composition is the bedrock of the operator's craft yet is seldom taught in training courses in the belief that it is an intuitive personal skill Peter Ward shows how composition can be learned to enhance the quality of your work Based on the author's own practical experience the book deals with the methods available for resolving practical production questions such as Does the shot composition accurately reflect the idea that initiated the shot Will the content and method of presenting the subject accurately convey the idea Major innovations in television and film production since the previous edition have affected the styles of composition such as wide screen and the use of mini DV cameras These new technologies and their implications for picture composition are addressed in this new edition A new colour plate section is also being included to update the section on colour If you are a practising camera operator trainee camera operator student or lecturer on a television or film production course or simply a video enthusiast wishing to progress to a more professional standard you will find this book essential in enhancing the quality of your work *The Gunslingers of '69* Brian Hannan, 2019-10-04 In 1969 the counter cultural moment when Easy Rider triggered a youthquake in audience interests Westerns proved more dominant than ever at the box office and at the Oscars It was a year of masterpieces The Wild Bunch Butch Cassidy and the Sundance Kid Once Upon a Time in the West and True Grit Robert Redford achieved star status Old timers like John Wayne Gregory Peck and Robert Mitchum appeared in two Westerns apiece Raquel Welch took on the mantle of Queen of the West Clint Eastwood and Lee Marvin tried their hand at a musical Paint Your Wagon New directors like George Roy Hill reinvigorated the genre while veteran Sam Peckinpah at last found popular approval Themes included women's rights social anxieties about violence and changing attitudes of and towards African Americans and Native Americans All of the 40 plus Westerns released in the U S in 1969 are covered in depth offering a new perspective on the genre Film Review , 2007 **Sixties British Cinema Reconsidered** Duncan Petrie, 2020-03-02 Challenging assumptions around Sixties stardom the book focuses on creative collaboration and the contribution of production personnel

beyond the director and discusses how cultural change is reflected in both film style and cinematic themes Publisher description *Dvd Savant* Glenn Erickson,2004-11-01 A compilation of selected review essays from Erickson s DVD Savant internet column **Variety International Film Guide** ,1997 *Picture Composition for Film and Television* Peter Ward,2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company Film Style and the World War II Combat Genre Stuart Bender,2014-08-11 Film Style and the World War II Combat Genre is a detailed examination of the stylistic means by which filmmakers depict stories of combat The work furthers contemporary discussions by analyzing a range of World War II combat films to a degree of detail which has previously escaped critical attention This substantial examination of cinematography sound editing and acting in a range of movies including Saving Private Ryan Windtalkers Bataan and Objective Burma demonstrates the importance of close attention to the textual construction of these films specifically as well as cinematic texts more generally The work advances the original analytic descriptions of controlled spontaneity and reported realism as theoretical concepts which explain why viewers regard certain stylistic techniques as realistic This notion of realism is then further understood through reference to a body of research in cognitive psychology to argue that the density of audio visual information in contemporary combat films is a significant factor in creating a sense of realism **Stereo Review's Sound & Vision** ,2000 *Doug Pratt's DVD* Douglas Pratt,2004-10 The ultimate guide to DVD by the world s leaddng authority on the medium **Box Office** ,1962 Films and Filming ,1971 *The Laser Disc Newsletter* ,1997 **The DVD-laser Disc Newsletter** ,2004 **Books Into Film** Robin H. Smiley,2003 From the beginning the movie industry has looked to literature for source material Many of the Twentieth century s finest writers were brought to the movie making centers especially Hollywood to adapt their own books into screenplays More often another writer or writers would be given the assignment of turning a book into a workable film script Sometimes the result was a creative leap that expanded and illuminated the original work Frequently it wasn t In the 60 plus essays collected in Books into Film Robin H Smiley explores the creative process that puts words together into a book then translates those words into speech and image and action on film Drawing upon his experience as a writer and screenwriter and a lifelong student and fan of the movies the author thoughtfully considers a wide range of books from high comedy to darkest noir from science fiction to melodrama and the films made from them Book jacket The Laser Video Disc Companion Douglas Pratt,1995 **Movie Maker** ,1982 **Coming Soon** Keith M. Johnston,2009-09-12 The audience s first exposure to a new movie is often in the form of a coming attraction trailer and short previews are also a vanguard for emerging technology and visual techniques This book demonstrates how the trailer has educated audiences in new film technologies such as synchronized sound widescreen and 3 D tracing the trailer s status as a trailblazer on to new media screens and outlets such as television the Internet and the iPod The impact and use of new technologies and the evolution of trailers beyond the big screen is followed into the digital era **VideoHound's DVD Guide** Mike Mayo,Jim Olenski,2001
