When Oliver woke up one morning in a body that wasn't his he thought that acclimating to his new appearance would be the worst of his problems. Things go from bad to worse as he realizes that it wasn't just his appearance that changed but his very identity is morphing along with it and he's not alone in his struggle. Joined by Harvey another victim of the change Oliver races against time to find a way to reverse the transformation before he loses himself but he is confronted with the worst decision of all. Does he even want to go back? *The Complete English Wing Shot* George Teasdale Teasdale-Buckell, 1907

Adaptations, Versions and Perversions in Modern British Drama Ignacio Ramos Gay, 2014-10-02. This book aims to explore which plays were deemed suitable to be reworked for foreign or local stages, what transformations linguistic semiotic theatrical were undertaken so as to accommodate international audiences, how national literary traditions are forged, altered and diluted by means of transnational adapting techniques and finally to what extent the categorical boundaries between original plays and adaptations may be blurred on the account of such adjusting textual strategies. It brings together ten articles that scrutinise the linguistic, social, political and theatrical complexities inherent in the intercultural transference of plays. The approaches presented by the different contributors investigate modern British theatre as an instance of diachronic and synchronic transnational adaptations based upon a myriad of influences originating in and projected upon other national dramatic traditions. These traditions rooted in relatively distant geographies and epochs are traced so as to illustrate the split between the state-imposed identity and personal subjective identity caused by cultural negotiations of the self in an age of globalism. International frontiers are thus pointed at in order to claim the need to be transcended in the process of cultural reappropriation associated with theatre performance for international audiences.
