Redeemed to the Utmost Sijil Oommen,2009-09 Redeemed to the Utmost is a simple logical philosophical book that addresses two important topics of Evil and Security of Salvation in a unique way Even though there are several books on these topics not many are written by a layperson It would not come as a surprise to know that many thinking laypersons have in their own way wrestled with such hard issues The book contains the insights and thoughts of a layperson who took a long and arduous journey to find the answers to difficult questions using the Word of God as the foundation To say that many difficult questions have been answered in a fresh and unique way is not an overstatement Hopefully this book will usher in a fresh debate and lead many Christians to return to the Reformation roots and make Salvation by Grace alone as the victory cry once again Sijil Oommen was born and raised in India in a non Christian culture giving him a unique perspective from which to formulate his views He moved to the United States ten years ago and is active among the large Indian Diaspora in the country being a board member of Galilee Ministries International a group involved in

missionary work in India In 1998 he portrayed the leading character in an hour long documentary by CNN International about a person moving from India to an offshore software development company in Barbados A successful software engineer he has served large and small corporations both in U S and abroad Since moving to the U S he has worked in various capacities for several large and small software companies     SPIRITUAL WARFARE: A Struggle for Truth Russell Sharrock,2007-03-01 Much in the Church is being touted as biblical spiritual warfare even to changing it from being spiritual to be geographical This book critics spiritual warfare teaching comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare
