

THE IDEA OF AN ETHICAL COMMUNITY

John Charvet

The Idea Of An Ethical Community

I. Ward

The Idea Of An Ethical Community:

The Idea of an Ethical Community John Charvet, 2019-01-24 John Charvet presents an original philosophical theory that transcends the liberal communitarian debate and justifies universally valid principles of prudential and moral reason. The Idea of an Ethical Community rejects contemporary positions: the liberal theorist's politically neutral stance toward alternative conceptions of good on the one hand and the communitarian's moral relativism on the other. Charvet espouses what he calls an antirealist view of shared norms and maintains that although reason cannot be unconditionally authoritative, there can be conditionally definitive rational principles. His book advances a view of the ethical community consistent both with the contractarian idea of John Rawls's early work *A Theory of Justice* and a due emphasis on communitarian values. But he grounds this view of the ethical community in a theory of the autonomous person and a theory of value. Kantianism, Postmodernism and Critical Legal Thought I. Ward, 2013-04-17 Kantianism Postmodernism and Critical Legal Thought presents a challenging alternative theory of legal philosophy. The central thesis of the book suggests an accommodation between three of the most influential contemporary theories of law: Kantianism, postmodernism, and critical legal thought. In doing so, it further suggests that the often-perceived distance between these theories of law disguises a common intellectual foundation. This foundation lies in the work of Immanuel Kant. Kantianism Postmodernism and Critical Legal Thought presents an intellectual history of critical legal thinking beginning with Kant and then proceeding through philosophers and legal theorists as diverse as Heidegger and Arendt, Foucault and Derrida, Rorty and Rawls, and Unger and Dworkin. Ultimately, it will be suggested that each of these philosophers is writing within a common intellectual tradition and that by concentrating on the commonality of this tradition, contemporary legal theory can better appreciate the reconstructive potential of the critical legal project. **Kant and the Concept of Community** Charlton Payne, Lucas Thorpe, 2011 An interdisciplinary collection of essays focused on Kant's work on the concept of community. The concept of community plays a central role in Kant's theoretical philosophy, his practical philosophy, his aesthetics, and his religious thought. Kant uses community in many philosophical contexts: the category of community introduced in his table of categories in the *Critique of Pure Reason*; the community of substances in the third analogy; the realm of ends as an ethical community; the state and the public sphere as political communities; the *sensus communis* of the *Critique of Judgment*; and the idea of the church as a religious community in *Religion within the Boundaries of Mere Reason*. Given Kant's status as a systematic philosopher, volume editors Payne and Thorpe maintain that any examination of the concept of community in one area of his work can be understood only in relation to the others. In this volume, then, scholars from different disciplines specializing in various aspects of and approaches to Kant's work offer their interpretations of Kant on the concept of community. The various essays further illustrate the central relevance and importance of Kant's conception of community to contemporary debates in various fields. Charlton Payne is postdoctoral fellow at Plattform Weltregionen und Interaktionen, Universität Erfurt, Germany.

Lucas Thorpe is Assistant Professor in the Department of Philosophy at Bogazi i University Turkey Contributors Ronald Beiner Jeffrey Edwards Michael Feola Paul Guyer Jane Kneller B atrice Longuenesse Jan Mieszkowski Onora O'Neill Charlton Payne Susan M Shell Lucas Thorpe Eric Watkins Allen W Wood **The Oxford Handbook of Kant** ,2024-10-07 Immanuel Kant

1724-1804 is a towering figure of modern Western philosophy someone whose thought continues to exert an influence across all areas of the discipline His work is characterized by both breadth and unity he writes powerfully about mind epistemology metaphysics logic mathematics natural science ethics politics aesthetics education and more And across those areas his work is concerned with defending a view of human beings and their place in nature according to which our own reason enables us to discover and uphold the laws of nature and freedom that is to think for ourselves The Oxford Handbook of Kant provides an up to date account of recent scholarship on Kant's philosophy taking in all areas of his writings It will be essential reading for students and researchers who want to think for themselves about the topics he wrote with such insight The individual chapters to this Handbook each provide a scholarly analysis and assessment of some aspect of Kant's thought and the collection ranges across all the areas to which Kant contributed It collectively presents a picture of where the study of Kant's philosophy finds itself at this point in the twenty-first century *Comprehensive Commentary on Kant's Religion Within the Bounds of Bare Reason* Stephen R. Palmquist,2015-10-05 Palmquist's Commentary provides the first definitive clarification on Kant's Philosophy of Religion in English it includes the full text of Pluhar's translation interspersed with explanations providing both a detailed overview and an original interpretation of Kant's work Offers definitive sentence level commentary on Kant's Religion within the Bounds of Bare Reason Presents a thoroughly revised version of Pluhar's translation of the full text of Kant's Religion including detailed notes comparing the translation with the others still in use today Identifies most of the several hundred changes Kant made to the second 1794 edition and unearths evidence that many major changes were responses to criticisms of the first edition Provides both a detailed overview and original interpretation of Kant's work on the philosophy of religion Demonstrates that Kant's arguments in Religion are not only cogent but have clear and profound practical applications to the way religion is actually practiced in the world today Includes a glossary aimed at justifying new translations of key technical terms in Religion many of which have previously neglected religious and theological implications

The Palgrave Handbook of German Idealism and Feminist Philosophy Susanne Lettow,Tuija Pulkkinen,2023-01-04 This book gives a comprehensive overview of the ways in which the relation between German Idealism and feminist philosophy has been explored It demonstrates the significance of German Idealism for feminist philosophy and simultaneously brings out the relevance of feminist readings and interpretations for a critical understanding of German Idealism Key Features Presents original work on the German Idealists and considers their legacy within feminist thought from different philosophical perspectives Incorporates perspectives from queer theory new materialism and critical philosophy of race and so explores German Idealism through the subversion and transformation of meanings and conceptual arrangements Challenges the

epistemic boundaries of philosophy by engaging the thought of women contemporary with the German Idealists such as Bettina von Arnim and Karoline von Gunderode Places the work of the German Idealists on gender sexuality marriage and family within the wider contexts of colonialism and European nation building Considers how several key concepts of German Idealism such as subject reason enlightenment autonomy and the sublime have been central targets of feminist theory Includes a Black feminist critique of Kantian universalism Fully reflecting the diversity that characterizes feminist thinking today The Palgrave Handbook of German Idealism and Feminist Philosophy is essential reading for scholars and graduate students of German idealism feminist philosophy and feminist theory Chapter s The Taxonomy of Race and the Anthropology of Sex Conceptual Determination and Social Presumption in Kant is are available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com)

The Philosopher's Voice Andrew Fiala, 2012-02-01 This analysis of the relationship between philosophy and politics recognizes that political philosophers must continually struggle to distinguish their voices from others that clamor within political life Author Andrew Fiala asks whether it is possible to maintain a distinction between philosophical speech and other political and poetic language His answer is that philosophy s methodological self consciousness is what distinguishes its voice from the voice of politics By focusing on the different ways in which this methodological norm was enacted in the lives and work of Kant Fichte Hegel and Marx the author puts the problem in a larger context and considers the roles that these thinkers played in the political history of the nineteenth century

Geographic Thought George L. Henderson, Marvin Waterstone, 2009 This unabridged reader offers a fresh approach to learning about Geographic Thought by showing through concrete examples and detailed editorial essays how the discipline has been forever altered by the rise of progressive social struggles of the last 30 years

[Kant's Religion within the Boundaries of Mere Reason](#) Gordon Michalson, 2014-04-17 Kant s Religion within the Boundaries of Mere Reason was written late in his career It presents a theory of radical evil in human nature touches on the issue of divine grace develops a Christology and takes a seemingly strong interest in the issue of scriptural interpretation The essays in this Critical Guide explore the reasons why this is so and offer careful and illuminating interpretations of the themes of the work The relationship of Kant s Religion to his other writings is discussed in ways that underscore the importance of this work for the entire critical philosophy and provide a broad perspective on his moral thought connections are also drawn between religion history and politics in Kant s later thinking Together the essays offer a rich exploration of the work which will be of great interest to those involved in Kant studies and the philosophy of religion

Foundations of Hegel's Social Theory Frederick NEUHouser, Frederick Neuhouser, 2009-06-30 The author s purpose is to understand the philosophical foundations of Hegel s social theory by articulating the normative standards at work in his claim that the three central social institutions of the modern era the nuclear family civil society and the constitutional state are rational or good Its central question is what for Hegel makes a rational social order rational In addressing this question the book aspires to be faithful to

Hegel's texts and to articulate a compelling theory of rational social institutions its aim is not only to interpret Hegel correctly but also to demonstrate the richness and power that his vision of the rational social order possesses Frederick Neuhouser's task is to understand the conceptions of freedom on which Hegel's theory rests and to show how they ground his arguments in defense of the modern social world In doing so the author focuses on Hegel's most important and least understood contribution to social philosophy the idea of social freedom Neuhouser's strategy for making sense of social freedom is to show its affinities with Rousseau's conception of the general will The main idea that Hegel appropriates from Rousseau is that rational social institutions must satisfy two conditions first they must furnish the basic social preconditions of their members freedom and second all social members must be able subjectively to affirm their freedom conditioning institutions as good and thus to regard the principles that govern their social participation as coming from their own wills

Getting the books **The Idea Of An Ethical Community** now is not type of inspiring means. You could not only going similar to book accrual or library or borrowing from your friends to way in them. This is an certainly easy means to specifically acquire lead by on-line.
