The Imam:

The Imam and the Indian Amitav Ghosh, 2010 The Imam and the Indian is an extensive compilation of Amitav Ghosh's non-fiction writings sporadically published between his novels in magazines, journals, academic books, and periodicals. These essays and articles trace the evolution of the ideas that shape his fiction. He explores the connections between past and present events and memories, people, cultures, and countries that have a shared history. Ghosh combines his historical and anthropological bent of mind with his skills of a novelist to present a collection like no other. *A Historical Research on the Lives of the 12 Shia Imams* Mahdi Maghrebi, PhD, 2020-12-10 After the demise of Prophet Muhammad PBUH, the Muslims were divided regarding whom they should follow as their political and religious leader. The Sunnis followed the Prophet's companions, whilst the Shias followed the 12 Holy Imams chosen by God. The Shia Imams were from the lineage of Prophet Muhammad PBUH from his only surviving daughter, Lady Fatimah SA. Successive Shia Imams lived amongst the Muslims for generations and guided them to the true Islamic teachings of the Prophet. All of the Shia Imams were respected by the Muslims for their spirituality, divine knowledge, and being the progeny of the Prophet. The Imams were a symbol of resistance against the injustice and oppression of the Umayyads and the Abbasids. As a result, the Imams endured many calamities and hardships. They were harassed, imprisoned, and martyred by the Umayyad and the Abbasid caliphs. This book reviews the lives of these 12 Holy Imams and provides an overview of their religious, social, and political achievements. Please visit our website at www.12shiaimams.com to find more about the Shia Imams, including our recent videos. **The Words of the Imams**

George Warner, 2021-11-18 Ibn Babawayh, also known as al-Shaykh al-Saduq, was a prominent Twelver Shi'i scholar of hadith. Writing within the first century after the vanishing of the twelfth imam, al-Saduq represents a pivotal moment in Twelver hadith literature as this Shi'i community adjusted to a world without a visible imam and guide. A world wherein the imams could only be accessed through the text of their remembered words and deeds. George Warner's study of al-Saduq's work examines the formation of Shi'i hadith literature in light of these unique dynamics, as well as giving a portrait of an important but little-studied early Twelver thinker. Though almost all of al-Saduq's writings are collections of hadith, Warner's approach pays careful attention to how these texts are selected and presented to explore what they can reveal about their compiler, offering insight into al-Saduq's ideas and suggesting new possibilities for the wider study of hadith. **The Rise of the**

Imams of Sanaa Arthur Stanley Tritton, 1925 *The Imam's Daughter* Hannah Shah, 2010-05-18 Hannah Shah is an Imam's daughter. She lived the life of a devout Muslim in a family of Pakistani Muslims in England, but behind the front door, she was a caged butterfly. For many years, her father abused her in the cellar of their home. At sixteen, she discovered a plan to send her to Pakistan for an arranged marriage, and she gathered the courage to run away. Relentlessly hunted by her angry father and brothers who were intent on executing an honor killing, she moved from house to house in perpetual fear to escape them. Over time, she converted to Christianity and was able to live and marry as she wished. Hannah found the courage to live her
