The Impact Of Context On Content In Matthew:

The Impact of Context on Content in Matthew Arlo J. Nau, 2000-12 Most commentaries on the Gospel of Matthew focus on its Jewishness By contrast Nau takes a fresh look at Matthew from the perspective of its widely accepted origin in Syrian Antioch fifty years after the death of Christ Some of his exegetical insights are truly revolutionary Isaiah's Christ in Matthew's Gospel Richard Beaton, 2002-11-14 Matthew's Jesus is typically described as the humble compassionate messiah This 2002 book argues that this is however only half the story Matthew's theologically rich quotation of Isaiah 42 1-4 traditionally considered one of the four servant songs underscores that manifest in Jesus powerful message and deeds particularly his healings and inclusion of the marginalized is the justice that was thought to accompany the arrival of the kingdom of God The study explores modifications to the text form of the Isaianic citations their relationship to the surrounding context and the rhetorical force of the final form It argues that the quotations are bi-referential functioning on both a narrative and theological level and also explores the issues surrounding the troublesome extraneous content It arrives at the conclusion that this citation was central to Matthew's understanding of Jesus life and mission All told this study offers a refreshing exploration of Matthew's high ethical Christology Matthew's New David at the End of Exile Nicholas G. Piotrowski, 2016-09-07 Matthew crowds more Old Testament quotations and allusions into the prologue than anywhere else in his gospel In this volume Nicholas G Piotrowski demonstrates the narratological and rhetorical effects of such frontloading Particularly seven formula quotations constellate to establish a redemptive historical setting inside of which the rest of the narrative operates This setting is defined by Old Testament expectations for David's great son to end Israel's exile and rule the nations Piotrowski contends that the rhetorical effect of this intertextual storytelling was to provide the Matthean community with an identity in a contentious atmosphere in terms of God's historical design for the ages now fulfilled in Jesus and his followers **The Oxford Handbook of Empirical Aesthetics** Marcos Nadal, Oshin Vartanian, 2022 The Oxford Handbook of Empirical Aesthetics provides the most comprehensive coverage of the domain of empirical aesthetics to date With sections on visual art dance music and other art forms the breadth of this volume reflects the richness and variety of topics and methods used by scientists to understand the way human beings appreciate art **Experiencing Irony in the First Gospel** Karl McDaniel, 2013-08-29 The Gospel of Matthew is both deliberately deceptive and emotionally compelling Karl McDaniel explores ways in which the narrative of the Gospel of Matthew elicits and develops the emotions of suspense surprise and curiosity within its readers While Matthew 1:21 invites readers to expect Jewish salvation progressive failure of the plot's main characters to meet Jesus salvation requirements creates increasing suspense for the reader How will Jesus save his people The commission to the Gentiles at the Gospel's conclusion provokes reader surprise and the resulting curiosity calls readers back to the narrative's beginning Upon rereading with a retrospective view readers discover that the Gentile mission was actually foreshadowed throughout the narrative even from its beginning and they are

There is currently an absence of an organization model which can be used as an aid to describing and discussing career development This book will fill this gap by presenting a new model the Librarian Career Management Tool that can be used to identify and structure possible opportunities and challenges to the career development of academic librarians in the digital age The career development of academic librarians follows different paths There are different kinds of career guidance resources targeting librarians and students in Library and Information Science and the prerequisites for career development may differ between academic libraries Because of this heterogeneity in the field there is a need for a theoretical and practical tool the Librarian Career Management Tool which distils variation down to fundamental principles which people can then work with The tool collates all possible career paths into a taxonomy of influencing factors and natural relationships between these factors for the digital librarian context The advantage of modelling these distinct patterns is to enable informed and far sighted decisions on the motivations for the next steps in an individual s career It also enables key trends in digital information management to be better understood Helps academic library managers to identify and structure the opportunities and challenges that their employees face in the digital age Helpful for early career academic librarians to identify and structure their motivations and what they want to achieve as librarians Ideal for educators in higher education within LIS as a resource for use in teaching about the prerequisites for and characteristics of career development of academic librarians Reading the New Testament in the Manifold Contexts of a Globalized World Eve-Marie Becker,Jens Herzer,Angela Standhartinger,Florian Wilk,2022-12-12 This volume gathers the perspectives of teachers in higher education from all over the world on the topic of New Testament scholarship The goal is to understand and describe the contexts and conditions under which New Testament research is carried out throughout the world This endeavor should serve as a catalyst for new initiatives and the development of questions that determine the future directions of New Testament scholarship At the same time it is intended to raise awareness of the global dimensions of New Testament scholarship especially in relation to its impact on socio political debates The occasion for these reflections are not least the present questions that have been posed with the corona pandemic and have received a focus on the system relevance of churches which is openly questioned by the media The church and theology must face this challenge Towards that end it is important to gather impulses and suggestions for the discipline from a variety of contexts in which different dimensions of context related New Testament research come to the fore Rethinking the Gospel Sources Delbert Royce Burkett,2009 Burkett offers a new viewpoint on the much debated Synoptic Problem He contends that each theory regarding the Synoptic Problem is problematic Each presents a case for the mutual dependence of one source upon another for example Matthew and Luke depend primarily on Mark but use each other where they report the same story not contained already in Mark Neither Mark nor Matthew nor Luke served as the source for the other two but all depended on a set of earlier sources now lost The relations between the

Synoptic Gospels are more complex than the simpler theories have assumed Arguments from Order in Synoptic Source Criticism David J. Neville, 1994 This monograph provides a comprehensive history of the various arguments focusing on the order of pericopes in the Gospels to ascertain their original sequence of composition Editor's Foreward **What are They Saying about Matthew's Sermon on the Mount?** Warren Carter, 1994 What Are They Saying About Matthew's Sermon on the Mount is an excellent summary of the contemporary scholarship on the Sermon on the Mount from the past thirty years Author Warren Carter has selected the historical source and redaction critical studies by biblical scholars as well as ethical reflections considered most important over the past three decades He begins most appropriately with the sources of the sermon moves on to its structure and then looks at the situation of Matthew's readers He next analyzes the content of the sermon together with the Lord's Prayer Finally he considers the ethical claims of the sermon especially issues of interpreting the sermon for contemporary faith communities This is an essential resource for everyone interested in understanding the Sermon on the Mount
