Hearnshaw Keith Feiling Arthur Bryant and Herbert Butterfield and three in America Daniel Boorstin Peter Viereck and Russell Kirk who developed conservative responses to unprecedented and threatening events both at home and abroad These historians shared basic assumptions about human nature and society but their subjects interpretations conclusions and prescriptions were independent and idiosyncratic Uniquely close to powerful political figures each historian also spoke directly to a large public which bought their books read their contributions to newspapers and journals listened to them on the radio and watched them on television Provocative and compelling Reba Soffer's pioneering study provides a comprehensive explanation of the content context and consequences of conservative ideas that became dominant in Britain and remained marginal in America until the Reagan ascendancy **The Politics of Truth and Other Untimely Essays** Ellis Sandoz, 1999 This volume explores the historical and theoretical underpinnings of personal liberty and free government and provides an analysis of the crisis of civic consciousness endangering both **Writers and Politics in West Germany** K. Against the Left Michael Scott Christofferson,2004-06-01 In the latter half of the 1970s the French intellectual Left denounced communism Marxism and revolutionary politics through a critique of left wing totalitarianism that paved the way for today s postmodern liberal and moderate republican political options Contrary to the dominant understanding of the critique of totalitarianism as an abrupt rupture induced by Aleksandr Solzhenitsyn s The Gulag Archipelago Christofferson argues that French anti totalitarianism was the culmination of direct democratic critiques of communism and revisions of the revolutionary project after 1956 The author s focus on the direct democratic politics of French intellectuals offers an important alternative to recent histories that seek to explain the course of French intellectual politics by France s apparent lack of a liberal tradition **The Politics of the Essay** Ruth-Ellen B.
