

Stunning and beautiful not a flower nor a tree,
More breathtaking than those and only I can see,
My heart beats your name right down to the core,
Filling me with such joy and so much more,
Your eyes so amazing, I just can't look away,
They're gorgeous and shining throughout all the day,
Here in my arms is where you belong,
Our two hearts beating to the same song.

Howard L. Ross

Sometimes Something Special Poetry With Heart Soul Poetry That Works:

Poetry's Heart to Heal the Soul Lisa K. Maier, 2007-10-18 Poetry's heart to heal the soul is based on some very touching inspirational things I have gone through in my life With god as a guide and a light I've been through many things and everything I've gone through I put it into love I call poetry it's about good times and bad but always a meaning to explain life at that particular moment in time It is a passion I have for life and the miracle it stands to be that I put into words I see life kind of like music and a dream and the power to create our own fate A lot of it is gratitude for where I stand and my love to serve in this world my wishes to help Some of this literature is on religion some on limitless love emotions I call a dimension on so many levels and outlooks I guess that's why it's poetry When I write it's like my mind is filled with words and an understanding that I put to words in hope to interest or love in some way I hope it is like a piece to a puzzle in some way or justice or helps someone to see life differently in a good way *Sometimes, Something Special* Howard L. Ross, 1996

Sometimes Something Special is about life experiences in the spirit It gives us spirited poetry of the heart and soul that makes us smile reach higher get closer to God and feel the exuberance of life Back cover *Forthcoming Books* Rose Arny, 1999 **The Athenaeum**, 1887 **The American Jewish Chronicle**, 1917 **The New-York Mirror**, 1831

The Literary World, 1885 *Until Spring* Erina Faraz Farishta, 2023-05-25 This book Is about growing up Discovering the world Its wonders and vices Shattering to pieces Bursting into flames And then rising again Rising like a phoenix Facing every season Overcoming winter And reaching spring Ultimately finding Who you are within *Hogg's Weekly Instructor*, 1848 **The Encyclopædia Britannica**, 1911 **The American Phrenological Journal and Repository of Science, Literature and General Intelligence**, 1851 **Schiller's Complete Works** Friedrich Schiller, 1861 **English Mechanic and Mirror of Science and Art**, 1911 **The Outlook**, 1894 **The New York Mirror** Theodore Sedgwick Fay, 1831 **The Romantic Ideology** Jerome J. McGann, 1985-02-15 Claiming that the scholarship and criticism of Romanticism and its works have for too long been dominated by a Romantic ideology by an uncritical absorption in Romanticism's own self representations Jerome J McGann presents a new critical view of the subject that calls for a radically revisionary reading of Romanticism In the course of his study McGann analyzes both the predominant theories of Romanticism those deriving from Coleridge Hegel and Heine and the products of its major English practitioners Wordsworth Coleridge Shelley and Byron are considered in greatest depth but the entire movement is subjected to a searching critique Arguing that poetry is produced and reproduced within concrete historical contexts and that criticism must take these contexts into account McGann shows how the ideologies embodied in Romantic poetry and theory have shaped and distorted contemporary critical activities *T.P.'s Weekly*, 1907 **Arabian Romantic** 'Abdallāh ibn Sbayyil, 2018-10-09 Love poems from late nineteenth century Arabia Arabian Romantic captures what it was like to live in central Arabia before the imposition of austere norms by the Wahhabi authorities in the early twentieth century tales of robbery and hot pursuit

perilous desert crossings scenes of exhaustion and chaos when water is raised from deep wells under harsh conditions the distress of wounded and worn out animals on the brink of perdition once proud warriors who are at the mercy of their enemy on the field of battle Such images lend poignancy to the suffering of the poet's love stricken heart while also painting a vivid portrait of typical Bedouin life Ibn Sbayyil ca 1853-1933 a town dweller from the Najd region of the Arabian Peninsula was a key figure in the Nabati poetic tradition His poetry which is still recited today broke with the artifice of the preceding generation by combining inherited idiom and original touches reflecting his environment Translated into English for the first time by Marcel Kurpershoek Arabian Romantic will delight readers with a poetry that is direct fluent and expressive and that has entertained Arabic speakers for over a century A bilingual Arabic-English edition **Hogg's Weekly Instructor** James Hogg, 1848 *The Homiletic Review*, 1904
