The Travel Narratives of Ella Maillart Sara Steinert Borella, 2006 Ella Maillart traveled throughout Asia in the 1930s and 1940s and wrote fascinating travel books about her experiences Her books once best sellers in French and English have since fallen into the margins of literary studies The Travel Narratives of Ella Maillart En Gendering the Quest offers an in depth analysis of Maillart s travel narratives in the context of colonial and postcolonial theory and gender studies Sara Steinert Borella s comparative study focuses on competing modes of discourse modes of transport and the dual nature of the journey Her critical analysis explores questions of gender genre and nationality as she inscribes Ella Maillart onto the map of twentieth century travel writers

Storia: A Journey Through Life and Places Alberto Rizzotti, 2021-04-14 Storia A Journey Through Life and Places By Alberto Rizzotti Thirty years in the making Storia is much more than a simple memoir Author Alberto Rizzotti s intention is to represent a lifetime of experiences in the context of his emotions From birth to semi retirement he has much to share with regard to adventure mischief and achievements but it s his open door into his thinking and his most personal feelings that make this book stand out Rizzotti has struggled with exposing himself to such a degree opening up to the most intimate of disclosures but ultimately he wanted to be true especially to himself The writing of Storia is undoubtedly the most effective way for him to do just that to state emphatically Like it or not this is who I am

My Christian Journey: In Places Lived Marianne Dorman, 2016-01-06 Over the years people have commented Why don t you write about your life To write a chronological autobiography never appealed to me Thus I abandoned the idea until about five years ago when having morning tea with my Byzantium scholar friend in Sydney We were discussing some aspect of Classical Roman history when the subject of genius loci spirit of the place entered our conversation On the bus back to my flat in Lane Cove this idea kept niggling at me Perhaps I could write about the places loci in which I have lived and the effect of these on my Christian journey firstly as a child then as a student wife mother educator writer and an admirer of all that is beautiful as expressed in most music worship in the Eastern and some Western traditions literature painting people and the natural world The result is this book beginning in a small country town Cowra some three hundred kilometres south west of Sydney Australia then to a smaller island Great Britain where I lived mainly in Oxford and ending on yet a smaller island in Puget Sound Whidbey close to the Canadian border As well as being influenced by various places so by people These include Fr John Hope of Christ Church St Laurence Sydney as a teenager and the Lady Margaret Professor in Oxford Dr Rowan Williams when I first arrived in this University City Perhaps the person who influenced me mostly was not one I actually met in person but came to know through my research He is the divine Lancelot Andrewes who has been part of my life for more years than I can remember and whose sermons and devotions are embedded in my being In

later years I have been grateful to the renowned biblical scholar Fr Raymond Brown who gave me a fresh and scholarly understanding of the New Testament Last but not least has been the Franciscan Fr Richard Rohr who has taught me the necessity of non dualistic consciousness for spiritual growth As much as places and people have helped to shape me none has more than the Potter and Pantocrator who has moulded and reshaped this lump of clay constantly in my Christian journey
