Life Lessons for Every Believer John Stancil, 2019-01-31 The Sermon on the Mount is the longest recorded sermon of our Lord in the Bible The first few verses commonly known as the Beattitudes contain some very important principles that are applicable in the life of every Christian This book is intended to help you understand in a more complete way what Christ wants to teach you in this passage Perhaps the best self help book available to anyone is contained in the fifth chapter of Matthew Jesus is speaking directly to us saying Here is how you should live This is what you should do The greatest way to help yourself is to realize that you cannot help yourself you need to allow Christ to work through you in order to be what God wants you to be God has better plans for you than you have for yourself When you let the Lord take the reins of your heart and lead your life He will take you to places that you never dreamed or imagined In these passages that we will be studying throughout this book God is simply trying to get you to give Him control of your life Your life will turn out much better with God in control than if you try to control everything yourself
