

The Becoming of Ruth

One of the most charming and appealing characters of personal conversion ever presented in picture and text form. The story of Ruth is the unique story of a young girl's search for self and spiritual fulfillment.

Ruth and her place and part of her with those around her. Ruth goes out on an odyssey of self-discovery that takes her from sandy of miles away from her homeland through many perilous encounters with her own mind, its doubts and indecision, looking for an ethical code and a moral order to which she can relate. Ruth goes through many different beliefs, new beginnings, and desperate acts of love. The tale in which she eventually recognizes her mother's love and devotion and reaches them into her deepest philosophy. Becoming a part of her life with herself, is dramatically and movingly told by the author.

Wonderfully beautifully illustrated by Nancy Whittney Smith, who has written in the book "The simplicity of the comic strip, the comic nature of tragedy, and the self-discovery of this stage." The Whittney of Ruth will inspire all young people today who know that the indomitable heroine, not just the heroines, and all adults who live in our world are what of change, and opportunity, and living well.
