Bankrupt Britain Dorling, Daniel, Thomas, Bethan, 2011-05-25 *Bankrupt Britain* is a unique atlas giving a comprehensive picture of the effect of the recession on Britain In detailed colour maps it shows how economic social and environmental fortunes have been affected in different areas in the wake of the 2007 banking crisis 2008 economic crash and 2009 credit crunch It is essential reading for a broad audience with detailed local level data and a national snap shot of Britain during this time

America's Sociopathic Leadership Jerome G. Manis, 2008-06-05 Websters Dictionary traces sociopathic usage to 1944 defining it as characterized by asocial or antisocial behavior or a psychopathic nature Sociopathy is used in the Diagnostic and Statistical Manual of Mental Disorders Fourth Edition DSM Especially notable and influential has been Adam Smith His first book was entitled *The Theory of Moral Sentiments* Its first chapter was on sympathy The first few lines of its first paragraph are quite different from the modern economists image of Adam Smith To Mona Charen Liberals have hurt the poor to be sure But they are also engaged in a long term guerrilla war on Americas soul 21st century capitalism differs enormously from its 18th century predecessor ascetic capitalism Abstinence austerity frugality spirituality and virtue play scant part in the higher levels of contemporary successful capitalists Milton Friedmans 1970 article in the New York Times makes clear his view of business The Social Responsibility of Business is to Increase its Profits Throughout the article he made clear that only people can have responsibilities while business can have no other purpose than to increase its profits The 14th amendment enacted for the protection of freed slaves was then used as a precedent for defining a corporation as a natural person Since then the courts have struck down hundreds of laws protecting citizens from corporations Millions of severe illnesses and deaths are the result of deliberate actions by the chief executives of the tobacco industry Are they not sociopathic leaders as well their major stockholders The Iron Triangle Inside the Secret World of the Carlyle Group published in 2003 by Dan Briody demonstrates where military industry and government have finally been unified

Free Speech and Censorship Cari Lee Skogberg Eastman, 2022-02-15 This annotated document collection surveys the history and evolution of laws and attitudes regarding free speech and censorship in the United States with a special emphasis on contemporary events and controversies related to the First Amendment The United States collective understanding of First Amendment freedoms was formed by more than 200 years of tensions between the power of word and the power of the government During that time major laws and legal decisions defined the circumstances and degree to which personal expression could be rightfully expressed and

rightfully limited This struggle to define the parameters of free speech continues today Vibrant and passionate debates about First Amendment limitations once inspired by the dissemination of birth control information now address such issues as kneeling during the national anthem removing controversial books from public libraries attempts by the Trump administration to discredit the press and disseminating false or hateful information through social media platforms By exploring diverse examples of censorship victories and triumphs of free expression readers will better understand the enormous impact of First Amendment freedoms on American society
