The Bethnal Inheritance:

The Bethnal Inheritance Martha Whitfield, 1981 Family and Kinship in East London Michael Young, Peter Willmott, 2013-05-13 First published in 1957 and reprinted with a new introduction in 1986 Michael Young and Peter Willmott's book on family and kinship in Bethnal Green in the 1950s is a classic in urban studies A standard text in planning housing family studies and sociology it predicted the failure in social terms of the great rehousing campaign which was getting under way in the 1950s The tall flats built to replace the old slum houses were unpopular Social networks were broken up The book had an immediate impact when it appeared extracts were published in the newspapers the sales were a record for a report of a sociological study Government ministers quoted it But the approach it advocated was not accepted until the late 1960s and by then it was too late This Routledge Revivals reissue includes the authors introduction from the 1986 reissue reviewing the impact of the book and its ideas thirty years on They argue that if the lessons implicit in the book had been learned in the 1950s London and other British cities might not have suffered the anomie and violence manifested in the urban riots of the 1980s **The Magician's Diary** C.J. Archer, 2017-09-05 A USA Today Bestseller India and Matt thought all their problems would come to an end once they found Chronos But the watch magician brings with him as many questions as answers and a load of trouble To fix Matt's magic watch they must find an old diary that once belonged to a doctor magician murdered decades ago The hunt drags them into a sordid mystery involving two of London's craft guilds With old and new enemies determined to stop them and long held secrets unearthed Matt and India must work together better than ever But as the reason for India's strangely strong magic is revealed she wants to draw other magicians into the open while Matt wants to hide magic to keep her safe Her plan backfires His plan shatters And danger comes to their door Succession, Wills and Probate Caroline Sawyer, Miriam Spero, 2015-05-15 Succession Wills and Probate is an ideal textbook for those taking an undergraduate course in this surprisingly vibrant subject and also provides a clear and comprehensive introduction for professionals Against an account of the main social and political themes of succession law the book gives detailed explanations of core topics such as alternatives to wills and the making altering and revocation of wills It also explains personal representatives and how they should deal with a deceased person's estate and interpret and implement the will Gifts may fail estates may be insolvent or a person may die intestate without a will at all Increasingly relatives and others seek to challenge the will for example on the grounds of the testator's capacity or under the law of family provision This third edition is edited updated and revised to take account of new legislation and case law across all the relevant issues including a new final chapter dealing with the potentially contentious issues that are becoming more central to professional work in the field of succession *Paperbound Books in Print*, 1992 **Investigating Archaeological Cultures** Benjamin W. Roberts, Marc Vander Linden, 2011-06-04 Defining culture is an important step in undertaking archaeological research Any thorough study of a particular culture first has to determine what that culture contains what particular time period

geographic region and group of people make up that culture The study of archaeology has many accepted definitions of particular cultures but recently these accepted definitions have come into question As archaeologists struggle to define cultures they also seek to define the components of culture This volume brings together 21 international case studies to explore the meaning of culture for regions around the globe and periods from the Paleolithic to the Bronze Age and beyond Taking lessons and overarching themes from these studies the contributors draw important conclusions about cultural transmission technology development and cultural development The result is a comprehensive model for approaching the study of culture broken down into regions Russia Continental Europe North America Britain and Africa materials Lithics Ceramics Metals and time periods This work will be valuable to all archaeologists and cultural anthropologists particularly those studying material culture

The History of a Kincaid Family James Bernard Newman, 2010 Slums and Redevelopment J.A. Yelling, 2023-08-18 Slums and Redevelopment 1992 moves between national policy formation and detailed local studies particularly of London studies involving landlords and property tenants and rehousing and the implementation of programmes The interwar period it examines saw the restoration of slum clearance following a period of opposition and the onset of the first national slum clearance programme reaching its climax in the plans for large scale redevelopment mad during World War II Inner city redevelopment of this kind had its intellectual origins in the 1930s and had much wider repercussions for property and social policy

Splendours and Miseries: The Roy Strong Diaries, 1967-87 Roy Strong, 2017-08-10 The Alan Clark diaries of cultural politics Sunday Times At every word a reputation dies A N Wilson Roy Strong is best known as the flamboyant former director of two great cultural institutions the National Portrait Gallery and the Victoria Albert Museum In his first volume of diaries he takes the reader into the heart of his career revealing himself to be not just a mercurial and brilliant administrator but also a shrewd observer of the glittering and political milieu into which he was drawn We encounter David Hockney in his studio the poignant figure of Cecil Beaton in decline Nureyev fizzing with ideas and the Philistine Mrs Thatcher among many others including a bevy of the Royal Family And throughout the diaries runs the thread of an exceptional marriage following his elopement with the designer Julia Trevelyan Oman Splendours and Miseries provides a unique panorama of the world of the arts fashion and society taking us from the outrageous Swinging Sixties to the hard edged glitz of Thatcher s Britain

Museums Mary Bouquet, 2013-07-18 Museums A Visual Anthropology provides a clear and concise summary of the key ideas debates and texts of the most important approaches to the study of museums from around the world The book examines ways to address the social relations of museums embedded in their sites collections and exhibitions as an integral part of the visual and material culture they comprise Cross disciplinary in scope Museums uses ideas and approaches both from within and outside of anthropology to further students knowledge of and interest in museums Including selected globally based case studies to highlight and exemplify important issues the book also contains suggested Further Reading for each chapter for students to expand their

learning independently Exploring fundamental methods and approaches to engage this constantly evolving time machine
Museums will be essential reading for students of anthropology and museum studies
