The Last Fast White Boy:

The Whiteboy Mrs. S. C. Hall, 1845 **The Whiteboy** Anna Maria Hall, 1845 **The Whiteboy; a Story of Ireland, in 1822** S. C. Hall, 2024-04-23 Reprint of the original first published in 1845 **Boy Next Door to Ferguson** Edgar T. Jones, 2023-05-26 About the Book A live video was shared on social media when Mike Brown was murdered that I have not seen since the day it was shared I saw the officer shoot him in the head after he was already laid out on the ground from being shot while running away This heartless treatment could not have been committed upon an unarmed human being who was seen as a person like a neighbor or even just a familiar face from the neighborhood What or who did the police and the county prosecutor see Mike Brown to be when his murder was dismissed like the removal of a pest While the world has gotten smaller due to technology and other innovations people have somehow become less and less human to one another We see everything through a screen that filters out feelings and essential realities like the fact that each person has a history and life connections The challenges of life are many but that's how we know that we are alive when we overcome one at a time I wonder what this world would be like if MLK had survived his wound and even Mike Brown Could we have been better next door neighbors to them As small as this world has become no one is any further away than our own next door neighbor so in Edgar Jones's story he hopes you see what his life was like being the Boy Next Door to Ferguson Boy Next Door to Ferguson is about an ordinary Black boy who struggles in every area including speaking from birth The greatest lesson learned from living will be that every life matters if we only take the time to care The humorous details of growing up next door to Ferguson with the village of Black people that made up Kinloch Missouri will surprise those who can't relate to 50 years of searching for God's blessing just to see it's been all around us all of the time About the Author Edgar T Jones has tried to live up to his community's expectations His parents always worked in politics government and community service so they demanded he at least try to do some good for humanity His only true interest have been in writing to entertain or to educate This is his first published book **The Fastest Bicycle Rider in the World** Marshall W. "Major" Taylor, 2023-03-07 This autobiography by the sport's first African American world champion is a compelling story for any cycling fan Outside More than a century ago Marshall Major Taylor overcame racial prejudice to become one of the most dominant cyclists in history The Fastest Bicycle Rider in the World which Taylor self published in 1928 gives a riveting first person account of his rise to the highest echelons of professional cycling Born in Indianapolis he eventually became the first African American cycling world champion going on to set seven world records in the sport Here he recounts his exploits as an athlete including his early taste of success in a grueling six day race his unparalleled dominance as a sprinter and some of his most bitter defeats But the man who achieved international fame as the Black Cyclone also details the extreme prejudice he faced both on and off the track This is a story about one of the greatest athletes in American history but also a moving testament to Taylor's resilience and determination in the face of overt racism and seemingly impossible odds Taylor paints vivid a picture of bike

racing in the United States at the turn of the twentieth century and highlights his mental process in dealing with racism all while becoming indeed the fastest bike racer in the world Outside Includes an introduction by Zito Madu **Pulse Check**,2000 *Cherry Hill* Akeam A.
