This discussion guide includes more than 100 questions about the material found in *The Pagan Christ* that will encourage a deeper chapter by chapter analysis and a more profound understanding of the findings and arguments in this book.

Unmasking the Pagan Christ Stanley E. Porter, Stephen J. Bedard, 2006 Rabbi or Messiah Prophet or the Son of God People have debated the identity of Jesus of Nazareth since the first century. But what if there was no Jesus? What if there was no Mary or Joseph no twelve apostles? What if the story of Jesus was no more than a myth to convey spiritual truth? These claims have been around for hundreds of years and have become more prominent with well known religion columnist Tom Harpur's recent book *The Pagan Christ*. Harpur claims that Jesus was not a historical figure but was one version of an ancient myth that can be traced from ancient Egyptian religion to the Roman mystery cults. Stanley Porter and Stephen Bedard tackle this radical claim by looking at the roots of the pagan Christ idea examining the supposed pagan parallels and presenting the evidence for the historical Jesus. The authors demonstrate that the suggestion of pagan origins for the Gospel story is not based on historical or textual evidence but rather on a desire to create a universalistic spirituality revolving around a Cosmic Christ within each person. A fair examination of both the mythological and biblical texts reveal that the traditional understanding of an actual historical figure known as Jesus of Nazareth appearing two thousand years ago is indeed the only logical conclusion. Stanley E. Porter is President and Dean and Professor of New Testament at McMaster Divinity College Hamilton Ontario Canada. Porter has M.A. degrees from Claremont Graduate School and Trinity Evangelical Divinity School and the Ph.D. from the University of Sheffield. He has written widely on issues of concern in study of the New Testament such as Jesus Paul the book of Acts and John. He has a passion for education in the church and preaches and teaches regularly. Stephen J. Bedard is the pastor of Woodford Baptist Church and First Baptist Church Meaford Ontario Canada. He holds the M.Div. and M.Th. degrees from McMaster Divinity College and is actively engaged in further graduate study. Bedard is an advocate of informed preaching and teaching and is devoted to the ministry.

of the local church The Pagan Christ Tom Harpur, 2006-05-01 Challenging church orthodoxy a religious scholar argues that the biblical Gospels should not be taken literally and that there is a connection between Egyptian mythology and Christianity in a radical reinterpretation of scripture the nature of Christianity and its connections to other of the world's spiritual traditions Reprint 25 000 first printing *The Resurrection of Jesus* Dale C. Allison, Jr., 2021-03-11 The earliest traditions around the narrative of Jesus' resurrection are considered in this landmark work by Dale C. Allison Jr. drawing together the fruits of his decades of research into this issue at the very core of Christian identity Allison returns to the ancient sources and earliest traditions charting them alongside the development of faith in the resurrection in the early church and throughout Christian history Beginning with historical critical methodology that examines the empty tomb narratives and early confessions Allison moves on to consider the resurrection in parallel with other traditions and stories including Tibetan accounts of saintly figures being assumed into the light in the chapter Rainbow Body Finally Allison considers what might be said by way of results or conclusions on the topic of resurrection offering perspectives from both apologetic and sceptical viewpoints In his final section of modest results he considers scholarly approaches to the resurrection in light of human experience adding fresh nuance to a debate that has often been characterised in overly simplistic terms of it happened or it didn't Studies in Late Antiquity David Neal Greenwood, 2024-03-29 Late Antiquity was an era of remarkable change as beliefs were shaped and reshaped by the competing philosophies of traditional Greco-Roman religion Middle and Neoplatonist philosophy and the theology of the early Church Current narratives of both peaceful competition and violent struggle between Christianity and paganism are reductive The research presented in this Variorum volume originally published between 2013 and 2018 in the fields of history divinity and philosophy demonstrates the complexity of the age and provides a more complete picture of major actors including the emperor Julian Porphyry of Tyre and Celsus From the second to the fourth centuries these were some of the major players in attempting to define the terrain in the conflict between their philosophies and the Christian religion While the timeframe remains consistently within the late second to the mid fourth centuries A.D. the sources range between inscriptions literature and historical accounts The particular focus is the emperor Julian Flavius Claudius Julianus d. 363 a figure of perennial interest as not only the last pagan emperor but the last anti-Christian polemicist of real significance in antiquity This volume offers a new perspective on Julian bringing together research from ancient history Neoplatonist philosophy and patristic theology and will be useful to students and scholars alike **Ancient Egyptian Roots of Christianity, Expanded 2nd Edition** Moustafa Gadalla, 2016-12-02 Egyptian roots of Christianity both historically and spiritually This book reveals the Ancient Egyptian roots of Christianity both historically and spiritually This Expanded Version of the book consists of three parts to coincide with the terms of the Trinity The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent characters The second part demonstrates that the accounts of the historical Jesus are based entirely on the life and death of

the Egyptian Pharaoh Twt Tut Ankh Amen The third part demonstrates that the Jesus of Faith and the Christian tenets are all Egyptian in origin such as the essence of the teachings message the creation of the universe and man according to the Book of Genesis as well as the religious holidays The very thing that is now called the Christian religion was already in existence in Ancient Egypt long before the adoption of the New Testament The British Egyptologist Sir E A Wallis Budge wrote in his book The Gods of the Egyptians 1969 The new religion Christianity which was preached there by St Mark and his immediate followers in all essentials so closely resembled that which was the outcome of the worship of Osiris Isis and Horus The similarities noted by Budge and everyone who has compared the Egyptian Osiris Isis Horus allegory to the Gospel story are striking Both accounts are practically the same e g the supernatural conception the divine birth the struggles against the enemy in the wilderness and the resurrection from the dead to eternal life The main difference between the two versions is that the Gospel tale is considered historical and the Osiris Isis Horus cycle is an allegory The spiritual message of the Ancient Egyptian Osiris Isis Horus allegory and the Christian revelation is exactly the same The British scholar A N Wilson pointed out in his book Jesus The Jesus of History and the Christ of Faith are two separate beings with very different stories It is difficult enough to reconstruct the first and in the attempt we are likely to do irreparable harm to the second This book will demonstrate that the Jesus of History the Jesus of Faith and the tenets of Christianity are all Ancient Egyptian This will be done without causing any irreparable harm as per A N Wilson s concern for two main reasons Firstly the truth must be told Secondly explaining Christian tenets via their original Ancient Egyptian contexts will enhance the idealism of Christianity This Expanded Version of the book consists of three parts to coincide with the terms of trinity the Three that are Two that are One The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent individuals The second part demonstrates that the accounts of the historical Jesus are based entirely on the life and death of the Egyptian Pharaoh Twt Tut Ankh Amen The third part demonstrates that the Jesus of Faith and the Christian tenets are all Egyptian in origin such as the essence of the teachings message the creation of the universe and man according to the Book of Genesis as well as the religious holidays There is an undeniable irony and a profound deep undeniable truth in Hosea s prophetic saying Out of Egypt have I called my Son A deep irony indeed Let us open our minds and review the available evidence For the truth is a composite of different and complementary pieces of a puzzle Let us put the pieces in the right location time and order

Water Into Wine Tom Harpur, 2008-11-06 Following the extraordinary and ongoing success of his 2004 book *The Pagan Christ* scholar and author Tom Harpur was deluged with readers requests to go more deeply into the mythological allegorical approach to the story of Jesus he took in that bestselling book In *Water Into Wine* Harpur sets out the powerful and transforming message that emerges when the Gospels are finally read as they were originally intended to be and as they were understood by the first Christians such as Origen and Clement Seen in their true mythological and symbolical meaning the stories in the drama of Jesus life come alive in a totally fresh way not as the account of a single distant god man working strange miracle like Superman or some other fictional magician but as a description of the evolution of the soul in everyone of us The theme of the Gospels parallels exactly the theme of the Old Testament as well as every ancient sacred text which is that a spark of the divine spirit incarnates in each and every human being Tom Harpur shows how the old old story is at the heart of every religion and how it is really our own personal story too *Water Into Wine* is a tour de force written by a skilled and learned communicator that should excite and nourish every true seeker after spiritual fulfillment As well it has the enormous potential for furthering the goal of global understanding and peace
