Boats in my Blood Howard Percival Johnson, 2023-08-18 In April of 2022 Howard Johnson decided to write a book about his life Investigation and study revealed that everything that happened to him was unusual and unique compared to all friends and family of similar seventy seven years starting with being a war baby and parents with unusual backgrounds families strong morals hard work ethics and strong personal values He found many forgotten blessings spread all throughout his years that led to particular advantages

compared to many others he knows such as dancing singing love of music artistry reading writing strong imagination hard work and a generous friendly nature Appreciation for designs of all kinds led to the collecting of just about everything Cars boats wood iron metal you name it he collected it His parents taught him to organize well so he could find what he was looking for quickly and easily Good looks good health good fitness are all essential for a good life His parents taught him everything from refinishing furniture to the importance of going to church to painting a truck His father taught him the appreciation of boats He has a collection of wooden boats now and people say it is the largest and nicest collection in the entire country For eight months now he has studied his life to write this book and the life he has lived is just amazing Now Howard is looking forward to sharing the stories of his life with all his readers in hopes to capture your imagination of what his life was really like

Demon in My Blood Elizabeth Rains, 2017-05-19 Until recently hepatitis C which infects 170 million people throughout the world was always fatal But today there is finally a remarkable cure Elizabeth Rains describes how she was likely infected with hepatitis C during her wild hippie days how she was diagnosed more than four decades later and how she became one of the early patients to be cured including the obstacles she encountered in gaining access to the 100 000 drugs She describes the symptoms and non symptoms of hep c the stigma that still accompanies a diagnosis the grueling interferon treatments that many hep C patients have had to undergo and the new antivirals that have exploded onto the pharmaceutical market and that provide a cure but at a tremendously high price Because most people who have hepatitis C have no idea they harbor the disease Rains riveting account will compel readers to get tested for this silent killer

A Flower Traveled in My Blood Haley Cohen Gilliland, 2025-07-15 NATIONAL BESTSELLER An astonishing story Powerful Harrowing Absorbing and lucid You would have to harden your heart to be unmoved by the Abuelas quest Jennifer Szalai The New York Times Inspiring A triumphant saga of ordinary people doing extraordinary things in the face of pure malevolence Hampton Sides Enthralling Written with the nail biting verve of a thriller Publishers Weekly starred review Extraordinary A harrowing and timely reminder of what happens when democracy succumbs to despotism Adam Higginbotham A cinematically detailed deeply researched narrative The Washington Post Piercing emotional Will resonate for generations Kirkus Reviews starred review A remarkable new talent in narrative nonfiction delivers the epic true story of a group of courageous grandmothers who fought to find their grandchildren who were stolen In the early hours of March 24 1976 the streets of Buenos Aires rumble with tanks as soldiers seize the presidential palace and topple Argentina's leader The country is now under the control of a military junta with army chief Jorge Rafael Videla at the helm With quiet support from the United States and tacit approval from much of Argentina's people who are tired of constant bombings and gunfights the junta swiftly launches the National Reorganization Process or El Proceso a bland name masking their ruthless campaign to crush the political left and instill the country with Western Christian values The junta holds power until 1983 and decimates a generation One of the military's most diabolical acts is kidnapping hundreds of pregnant women After giving birth in

captivity the women are disappeared and their babies secretly given to other families many of them headed by police or military officers For mothers of pregnant daughters and daughters in law the source of their grief is twofold the disappearances of their children and the theft of their grandchildren A group of fierce grandmothers forms the Abuelas de Plaza de Mayo dedicated to finding the stolen infants and seeking justice from a nation that betrayed them At a time when speaking out could mean death the Abuelas confront military officers and launch protests to reach international diplomats and journalists They become detectives adopting disguises to observe suspected grandchildren and even work alongside a renowned American scientist to pioneer groundbreaking genetic tests A Flower Traveled in My Blood is the rarest of nonfiction that reads like a novel and puts your heart in your throat It is the product of years of extensive archival research and meticulous original reporting It marks the arrival of a blazing new talent in narrative journalism In these pages a regime tries to terrorize a country but love prevails The grandmothers stunning stories reveal new truths about memory identity and family
